Introduction

The Center for Governmental Studies (CGS) at Northern Illinois University conducted an analysis that captures the economic impacts associated with the proposed closure of the Dwight Correctional Center in Dwight, Illinois. The results are based on two sets of impacts in the Grundy, Kankakee, LaSalle, and Livingston Counties. The first set of impacts focuses on the loss of household spending income for the Dwight Correctional Facility employees. The second set of impacts captures the reduction of supply chain industry revenue for annual contractual and commodity purchases made by the facility in the four county region. The impacts captured in this report do not represent the entire economic impact that would result from the proposed closure.

The impacts were estimated using the IMPLAN Pro input/output (I/O) model developed by the Minnesota Implan Group. The model is unique in that the I/O coefficients are based on county specific patterns and include both industry specific direct and indirect impacts. Direct impacts are those that result from annual operations such as employee compensation, output and taxes. Indirect impacts are the secondary effects on the area. For example, as a result of the growth or contraction of a particular company's or institution's operations, the local economy will experience an increase or decrease in economic activity. This in turn will lead to changes in employment, compensation and output in retail trade, health and social services, and other industry sectors.

Assumptions

The Dwight Correctional Facility employs 382 full- and part-time workers in the Grundy, Kankakee, LaSalle, and Livingston County region. Those 382 workers earn $19.5 million in wages annually based on the following assumptions:

- 361 employees earning an average median salary of $50,000
- 21 employees earning an average median salary of $70,000

As a result of a proposed closure, the region will lose the household spending impact from the wages earned by Dwight employees. *These household spending impacts are, overall, less than total wages because employees do not spend all of their earned salaries, nor are all spending events local.*

In addition, the closure of the Dwight Correctional Facility will have an impact on local contractors that provide services to the facility. These contractors receive over $7.0 million annually, most of which is used to pay employee wages and benefits. The loss of these contracts will result in the loss of household spending from the wages earned by employees of the service providers. *As with the prison employees, the household spending impacts are, overall, less than total wages because employees do not spend all of their earned salaries, nor are all spending events local.*

The Dwight Correctional Facility contracts with service providers are from the following business sectors:

- Offices of physicians, dentists, and other healthcare professionals ($6.0 million)
- Individual and family services ($679,000)
- Education services ($354,000)

As a result of the proposed closure, these industries will experience direct impacts resulting in losses in output (sales), employment, employee compensation, and value added. Other industries in the supply chain will also experience indirect losses in output (sales), employment, employee compensation, and value added.

This analysis focuses on the indirect impacts resulting from an income reduction for households earning $50,000 - $75,000 annually. Also included are the direct and indirect impacts resulting from reduced activity in the three business sectors of the facilitiy's contract service providers.

Estimated Impacts: Dwight Correctional Center

Four County Region*	Direct	Indirect	Total	Multiplier
Employment	454	175	629	1.39
Output ($ millions)	6.9	9.9	16.8	2.43
Value-Added ($ millions)	4.1	12.1	16.2	3.95
- Employee Compensation ($ millions)	22.9**	5.2	28.1	1.23

* Grundy, Kankakee, LaSalle and Livingston counties

** This figure represents the estimated 'household spending 'portion of employee compensation. See the 'Assumptions' section on page 1.

Summary of Impacts

The closure of the Dwight Correctional Center will have an impact on the regional economy beyond the loss of jobs and income of the facility's employees or the loss of contracts by local service providers. It is estimated that 629 jobs could be lost across the region. The output or sales of other businesses in the region could be reduced by $16.8 million based on the loss of service contracts by local vendors, which will result in reduced employment and spending by those vendors. The overall result of the loss of employment and business sales or output is an estimated decline in the Gross Regional Product (value-added) of the region by $16.2 million. The business sectors that are expected to suffer the most are healthcare, real estate and rentals, restaurants and drinking establishments and retailing.

Employment Impacts

The Dwight Correctional Facility closure will eliminate 382 full- and part-time prison jobs in the region in addition to 72 jobs in industries supporting the prison. As a result of these direct job losses, other industries will lose jobs. Indirect employment of 175 jobs will be lost in the region as a result of the closure and will have the greatest impact in the following business sectors:

- Food service and drinking establishments (23 jobs)
- Private hospitals (13 jobs)
- Offices of physicians, dentists and other healthcare professionals (10 jobs)
- Nursing and residential care facilities (8 jobs)
- Real estate establishments (8 jobs)

Output Impacts

Output is used as a measure of overall industry productivity and represents the value of an industry's business activities including sales.

The loss of employment wages and industry sales from the Dwight Correctional Facility closure will reduce $6.9 million in direct and $9.9 million in indirect economic activity (sales and output) in the region annually. The business sectors with the highest estimated indirect output losses include:

- Rental activity for owner occupied dwellings ($2.6 million)
- Private hospitals ($1.7 million)
- Real estate establishments ($1.4 million)
- Food service and drinking establishments ($1.2 million)
- Monetary authorities and depository credit intermediaries ($1.2 million)
- Offices of physicians, dentists and other healthcare professionals ($1.1 million)

Value-Added (Wealth) and Employee Compensation

Value-added is a measure of wealth (Gross Regional Product) created by a business in terms of total of employee compensation, rent, interest, taxes, and profit paid or earned. Value-added is an important indicator of the industry's productivity and regional sector strength.

The loss of employment wages and industry activity from the Dwight Correctional Facility closure will decrease the value-added (wealth) of the region by $16.2 million, $4.1 million in direct value added and $12.1 million in indirect impacts.

As a result of the facility closure, the region will lose $28.1 million in direct and indirect annual employee compensation, $22.9 million in direct employee compensation paid by the facility and supply chain and an additional $5.2 million in indirect employee compensation. Indirect employee compensation losses will be greatest in the following business sectors:

- Private hospitals ($819,000)
- Offices of physicians, dentists and other healthcare professionals ($544,000)
- Food service and drinking establishments ($335,000)
- Wholesale trade ($248,000)
- Nondepository credit intermediation ($235,000)
- Nursing and residential care facilities ($216,000)
- Retail stores - general merchandise ($163,000)

RESOLUTION REFERENCE
OF
DWIGHT CORRECTIONAL CENTER – DWIGHT, IL

WHEREAS, Illinois Governor Pat Quinn announced his intentions of closing the Dwight Correctional Center during the summer of 2012; and

WHEREAS, the Board of Education of Dwight Township High School District No. 230 and the Board of Education of Dwight Common School District No. 232 fully acknowledge and support the continued operation of the Dwight Correctional Center, and support the employees and related employment resulting from the continued operation of the Dwight Correctional Center; and

WHEREAS, the costs and expenses of the Dwight Correctional Center will merely have to be duplicated elsewhere, and in the opinion of the Boards of Education, will not cause any reduction in State expenses, and may well increase State expenses in a fiscally challenging financial climate within the State of Illinois; and

WHEREAS, the Dwight Correctional Center and the local communities have had a good relationship over the years and each have been good neighbors to the others; and

WHEREAS, the Boards of Education anticipate that the closure of the Dwight Correctional Center would create additional hardship to school finances, which are currently maximizing local tax rates and utilizing limited resources available as required by the Illinois State Constitution, Article 10, Section 1; and

WHEREAS, the Boards of Education further find and determine that the closure of the Dwight Correctional Center would have an immediate and long term negative impact on the Dwight Learning Community; including a loss of 5 to 10% of the student population (45-90), a

loss of faculty and staff members, and ultimately a loss in comprehensive educational programs and experiences within the Dwight Public Schools; and

WHEREAS, although the Boards of Education appreciate the obligation of the Governor and legislature to be fiscally responsible to the taxpayers of the State of Illinois, it is believed that the closure of the Dwight Correctional Center would be fiscally irresponsible, given the improvements that have been made at the Dwight Correctional Center over the last 10 to 15 years, and the cost of reproducing/duplicating similar facilities at other locations;

THEREFORE BE IT RESOLVED, by the Board of Education of Dwight Township High School District No. 230, and the Board of Education of Dwight Common School District No. 232, as follows:

Section 1. The Boards of Education hereby find that all of the recitals contained in the preambles to this resolution are full, true, correct and incorporate them into this resolution by this reference.

Section 2. The Boards of Education support the Dwight Correctional Center and acknowledge that this state facility has a positive impact on the Dwight Learning Community, including direct employees of the Illinois Department of Corrections and employees of ancillary businesses who live in our community who contribute to the local tax base and enroll their children in the Dwight Public Schools.

Section 3. In the opinion of the Boards of Education, the closure of the Dwight Correctional Center would have a lasting negative impact on the Dwight Learning Community, and for sound financial and fiscal reasons, both at the State level and at the local level, respectfully oppose the Governor's proposal of closure, now or anytime in the foreseeable future.

Section 4. That the Superintendent of Dwight Township High School District #230 and Dwight Common Grade School District #232 is hereby authorized and directed to represent the Boards of Education, the community and the taxpayers to convey the concern and to voice the position of the Boards of Education as set forth in this **Resolution**.

Section 5. That this **Resolution** shall be in full force and effect forthwith upon its adoption.

ADOPTED this 28th day of March, 2012, by the Dwight Common School District #232 Board of Education, following roll-call vote:

RESOLUTION SUPPORTING THE CONTINUED OPERATION OF THE DWIGHT CORRECTIONAL FACILITY

WHEREAS, the Village of Diamond supports economic development activities that promote business development, stimulate employment opportunities, and produce a positive effect upon the tax base, standard of living, and quality of life in the region; and

WHEREAS, Governor Quinn and the Illinois Department of Corrections have announced the closure of the Dwight Correction Center in Dwight, Illinois, and

WHEREAS, the Dwight Correctional Center has been an important part of the Illinois Correction System for over 80 years, and

WHEREAS, the Dwight Correctional Facility is an integral part of Dwight's, Livingston and Grundy County's and Central Illinois' economy by providing over 400 jobs and the purchase of goods and services from numerous area businesses; and

WHEREAS, the closure of Dwight Correctional Center would have a significant, negative financial impact on hundreds of employees and their families, communities, counties, schools and other valuable institutions; and

WHEREAS, the Village of Diamond has carefully reviewed the potential closing and adverse impacts on the County as a whole and the Village strongly recommends keeping the Dwight Correctional Center open.

NOW, THEREFORE, in consideration of the significant negative economic and public safety effects the closure of the Dwight Correctional Facility would have on the area, the Village of Diamond hereby resolves to oppose the closure of the Dwight Correctional Facility.

RESOLUTION IN SUPPORT OF KEEPING THE DWIGHT CORRECTIONAL CENTER OPEN

WHEREAS, the Governor has proposed closing the Dwight Correctional Center in Dwight, Illinois and the Legislature of the State of Illinois will also be considering said closure; and

WHEREAS, portions of Dwight, Illinois are within the County of Grundy; and

WHEREAS, the Dwight Correctional Center services over one thousand (1,000) female inmates and provides significant employment opportunities for citizens of Grundy County and the surrounding counties; and

WHEREAS, closure of said facility would be detrimental to the economy of Grundy County and surrounding counties with the loss of jobs and the adverse impact that closure would have on businesses in the area; and

WHEREAS, the closing the Dwight Correctional Center would increase the distress on unemployment within the County of Grundy; and

WHEREAS, the Criminal Justice Committee of the County Board has carefully reviewed the potential closing and adverse impacts on the County as a whole and the Committee strongly recommends that the full County Board support this resolution to keep the Dwight Correctional Center open.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BOARD OF GRUNDY COUNTY, THAT THE COUNTY OF GRUNDY SUPPORTS AND ENCOURAGES THE GOVERNOR AND THE ILLINOIS LEGISLATURE TO KEEP THE DWIGHT CORRECTIONAL CENTER, LOCATED IN DWIGHT, ILLINOIS OPEN AND FUNCTIONING.

City of Fairbury
RESOLUTION TO OPPOSE THE CLOSURE OF THE DWIGHT CORRECTIONAL FACILITY

WHEREAS, the City of Fairbury, supports economic development activities that promote business development, stimulates employment opportunities, and produces a positive effect upon the tax base, standard of living, and quality of life in the region; and

WHEREAS, the Dwight Correctional Facility, is an instrumental component of the regional economy by providing over 360 jobs to area residents; and

WHEREAS, the Dwight Correctional Facility provides an additional 77 jobs to area residents through vendors and contractors at the facility; and

WHEREAS, the closure of the Dwight Correctional Facility would result in an additional 400+ indirect job losses (totaling 800+ jobs lost) and cost the regional economy over $45 million annually; and

WHEREAS, the Illinois prison population is severely overcrowded and closing the Dwight Correctional Facility would only exacerbate the problem and put public health and safety at risk.

NOW, THEREFORE, in consideration of the significant negative economic and public safety effects the closure of the Dwight Correctional Facility would have on the area, the City of Fairbury hereby RESOLVES TO OPPOSE the closure of the Dwight Correctional Facility.

Mental Health Consequences of Prison Closure

The loss of unemployment creates major stress on those who lose their jobs and their families. This stress is not just from the job loss but also the stressors associated with day to day life and trying to survive after the job loss.

Besides for stress, the type of job loss that could happen at the prison leads to feelings and emotions of

- Lack of control
- Uncertainty
- Betrayal
- Unfairness
- Lack of trust
- Frustration
- Hopelessness
- Helplessness

These lead to lower thresholds for frustration and potential for overreactions or poor coping with stress and life.

Besides for stress, emotions, there is loss and then there must be grieving. Grieving involves sadness but many times also anger. There is a loss of income, potential loss of a comfortable lifestyle, there is loss of the personal dignity that comes from having a good job. There is loss of daily routines and a loss of friends and the social relationships that come from work.

Research clearly tells us that these all lead to increased

- Occurrences of depression
- Substance Abuse
- Occurrences of Domestic Violence
- Occurrences of Child Abuse
- Occurrences of anxiety disorders
- Feelings of hopelessness and helplessness that lead to potential of suicide.
- Illnesses—increased colds, increased injuries through accidents and worsening of current medical problems.

To The Members of The Commission on Government Forecasting and Accountability,

I'm asking you to recommend to Governor Quinn to allow Dwight Correctional Center to remain opened.

I grew up on a farm just outside of this great town of Dwight. My husband, Pat and I knew that Dwight was the town that we wanted to raise our children, where our values of hard and honest work, and strong faith in God that we instill in our children, would be carried through in their interactions with people in this small town.

My husband and I started our own business, Huffman Tire & Auto Inc, in September of 2007 in Dwight Despite the recession that began a few months after starting our business, we have been able to make a modest living for ourselves provide for our two children. We have grown enough to have three full time employees.

Closing Dwight Correctional Center would have a huge impact on our village and on Huffman Tire & Auto. Not only would many of our customers become unemployed, but we repair vehicles for the prison. Closing the prison would not only put prison employees out of work but our business and many other businesses in Dwight may be forced to close their doors as well, causing a trickle down affect that would destroy this community of 4,300.

Sincerely,

Pat & Patti Huffman

Korean American church women members do not want Dwight correctional center to be closed in Dwight.
The followings are reasons that we want to save dwight correctional center from closure in Dwight.

1,Ann jones, korean american, went to the jail year 2000.
Our members have visited every three months every year since 2004.
It is a pretty prison and seems to be clean inside.
Ann jones needs our moral and religious supports from korean american church women members.
She dose not have her family and relatives in america.
We become a good friend and have a spiritual relationship with her.

2, Ann jones have accepted Jesus after she went to jail.
She told me that she attends all the religious meetings in the jail.
She is showing the love to all inmates.

She always prays that she keeps her life filled with happiness and joy in the jail.
If she is not in the Dwight prison we can not visit her and also we can not share god's words with her.
If we can not visit her she will feel sad and lonely.
Also, our CW members will miss her and lose a good friend.

3, The chapel in jail was erected donated by illinois church women.
The chapel offers many opportunities to serve for inmates.
They attend Sunday service and study a bible in the chapel.

To The Members of The Commission on Government Forecasting and Accountability,

I'm Fr. James Rickey and I have been the Catholic Chaplin at the Dwight Correctional Center and Pastor at St. Patrick's Catholic Church in Dwight for the past eighteen years. The closing of the Dwight Correctional Center would have catastrophic effects on the Village of Dwight and the surrounding areas. The loss of employment from the Dwight Correctional Center officers and other non-union employees as well as local venders would devastate the families and the local communities in and around Dwight.

It would also impose hardships on the offenders who are long term residents of the Dwight Correctional Center. Some have been there all of my eighteen years and have made and consider the Dwight Correctional Center their home. It would also impose great hardships on those who wish to visit family members at the Dwight Correctional Center. For those from the Chicago area, it would increase the drive time from one and a half hours to over three hours. From my many personal experiences I know how important family visits are and how visits lift up offenders' spirit and give them a sense of hope.

I very strongly encourage you to keep the Dwight Correctional Center open for the continued economic growth of the Village of Dwight and surrounding areas and also for the sake of the offenders and their family members who come to visit them.

Sincerely,

Fr. James Rickey

Written Testimony
Steve Kim
General Counsel, Coils Incorporated

April 2, 2012

My name is Steve Kim and I am the General Counsel for Coils, Incorporated. Since 1961, Coils has been providing contract electronic manufacturing services as well as custom engineered solutions. Coils manufactures electrical coils, adapters, battery chargers, transformers, trigger speed controls and electronic assemblies. Coils has also entered into the renewable energy and smart grid arenas where we manufacture state of the art communication systems.

As a long time corporate citizen of Dwight, Coils strongly opposes the closure of the Dwight Correctional Center. The "Impact" reports prepared by Northern Illinois University and the University of Illinois clearly demonstrate the enormous negative impact the closure will have on the regional economy. The impact will stretch beyond the direct loss of jobs and income of the correctional center's employees or the loss of contracts by the local providers. According to the Northern Illinois University report it is estimated that 629 jobs could be lost across the region and that the output or sales of other businesses in the region could be reduced by $16.9 million based on the loss of service contracts by local vendors (see Impact of the Closure of the Dwight Correctional Facility prepared by Northern Illinois University). Additionally, the overall result of the loss of employment and business sales or output is an estimated decline in the Gross Regional Product of the region by $ 53,774,346 million (University of Illinois report).

Though these numbers are staggering the actual impact in the region's business community goes beyond the statistics. The downturn in the manufacturing sector in the region caused Coils to shut down its Dwight facility several years ago. However, Coils did not sell its 44,000 sq ft facility and explored opportunities that will re-open the plant. Currently, Coils is embarking on several important and ambitious projects bringing in

key regional and international partners into the Dwight facility. These projects can eventually bring significant employment into the area including good paying technical jobs.

However, the planned closure of the correctional facility and its impact on the local economy may have a negative affect on the growth of our business in the area. During these very competitive economic times, Illinois is losing businesses to neighboring States such as Indiana and Wisconsin. In fact, Coils has a large facility 70 miles east of Dwight in Kentland Indiana. Illinois should be doing everything it can to keep businesses in our State. A decline of $53.7 million in the local Gross Regional Product will have far reaching economic impact including difficulty in finding good employees in the area and locating and working with local suppliers that are critical to the success of a manufacturing operation. Local services may also be reduced exacerbating the negative business environment. Key financial institutions will be hurt by the decline in local Gross Regional Product which will make it more difficult for businesses like Coils to obtain necessary financing. All of these factors pushes businesses away from the area and into nearby States or even out of the country.

I strongly urge the Illinois Department of Corrections to reconsider the closing of the Dwight Correctional Facility. The closure will not only hurt the facility's employees and local service providers but the entire regional economy.

Thank you.

April 4, 2012

As the Village Administrator for the Village of Dwight I come before you on behalf of the residents of Dwight to ask that you save Dwight. As you can see from the economic impact study conducted for the Department by the University of Illinois and will hear later about the economic impact study done by Northern Illinois University, and from many other speakers closing Dwight Correctional Center would have a profound impact on our Village.

Let me start off by giving you a little background on the Village Of Dwight and the Correctional Center. On January 30, 1854 Dwight was formally dedicated and named after Henry C. Dwight, the man who furnished the financing to construct the Chicago and Mississippi Railroad from Joliet to Bloomington. The Village thrived with the establishment of the Keeley Institute when civil war Doctor Leslie Keeley announced to the world that alcoholism was a disease and he could cure it. News of the Keeley Cure spread throughout the world and the town thrived. In 1919, following the end of World War I, a Veterans Hospital was opened in buildings leased from the Keeley Institute.

Beginning in 1916, through the united efforts of many Women's groups in Illinois who were "united to materialize a vision of correction and education for women convicted of offenses against the law and heretofore, confined in county and city jails without hope or possibility of rehabilitation". Legislation was passed in 1927 and the State Reformatory for Women officially received its first commitments on November 24, 1930. Women helping women, that's why this prison was founded.

Dwight Correctional Center is a specialized facility which includes a 'state of the art" female health unit and a medical facility specifically designed to provide care to pregnant women and critically and terminally ill women, as well as those on dialysis. Paramedic service is provided by the Village of Dwight Emergency Medical Service to the Correctional Center. 16% of my Department's calls over the past three years have been to the Correctional Center which generates $44,000 of revenue to the Village.

Since 1989, the Village of Dwight has been providing water, back-up water to the Correctional Center. In the past three years the prison has had numerous problems with their system and begun to rely more heavily on the Village for water. We provide on average 45 million gallons of water per year to the prison which amounts to roughly 16.5% or $135,000 of revenue annually

received by my Water Department. That loss of income to the Village from the State is huge in terms of a $7.8 million dollar budget.

Here is a place in which the Village could help the State cut costs, could help the State save money. In the unrealistic picture painted by the Department in their 'Recommendation for the Closure of Dwight', they discuss the condition of the facility in Item #4. They claim to need $1,350,000 to drill a new well and well house. Currently the Correctional Center has deep wells and the water has high radium content and struggles to meet the standards set by the Illinois EPA for potable water. The Village of Dwight has the capacity and the means to provide 100% of the water, 100% of the Correctional Centers need. We do it often, for instance we've been providing 100% of the prisons water since last August, except for one week in February, when they attempted to go back online, unsuccessfully. The State can abandon its wells; receive 100% of their water from the Village and SAVE $1.35 million in costs.

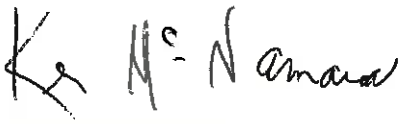
Another large item discussed under #4 regarding the condition of the facility is a need to upgrade the prisons Wastewater Treatment Plant at the cost of $4 million dollars. Over the past two months and as recently as yesterday the Village has been meeting with Warden Thompson, members of her facility staff, along with the Capital Development Board and engineers hired by the Department to look at solutions to the sewer problem at the prison. From what I understand this is not a new, but ongoing problem. The State has spent much money over the past few years on its waste water plant and instead of fixing it, has been applying band-aids. The Village of Dwight is ready and willing to assist the State as needed to get the sewage from the Correctional Center to our treatment plant. Installing the line would amount to a one-time cost for the State and once they are installed, their problems and future maintenance for the most part would be solved. Corrections could get out of both the water and sewer business.

Along with the loss of EMS and water revenues to the Village would be the loss of sales tax revenue, business closures, a decline in property values and a loss of population in our community and in our schools.

The Village of Dwight is very proud to have been a partner with the State of Illinois for the past 80 years. Many of our residents work for you and have dedicated their lives to the State of Illinois. Members of the COGFA commission we need your help. We need you to vote no on closing Dwight Correctional center. We also need you as members of the General Assembly to put funding for Dwight back in this years budget and for the next 80 years.

Thank you.

Sincerely,



Kevin McNamara
Village Administrator

Resolution to Keep Dwight Women's Correctional Center Open

WHEREAS: Dwight Correctional Center is an integral part of the Livingston County economy, providing more than 459 jobs and purchasing goods and services from numerous local businesses; and

WHEREAS: Governor Quinn's proposed closure of Dwight CC would mean a $40 million loss to the Livingston County economy; and

WHEREAS: Closing Dwight means closing the only female facility in the state with the capacity to house maximum security inmates and the only Reception and Classification Center for female inmates; and

WHEREAS: Closing Dwight, combined with last year's closure of Kankakee MSU and the proposed closure of the Fox Valley ATC, means that the correctional system's capacity to house and rehabilitate female inmates will plummet; and

WHEREAS: Without Dwight CC female correctional facilities would be operating at 183% over their design capacity; and

WHEREAS: Plans to replace Dwight CC by converting Logan Correctional Center to a women's prison would mean less access to programs for inmates and even more overcrowding in male facilities around the state; and

WHEREAS: The majority of Dwight's population is from Cook and the collar counties, which makes it easy for families to visit; and

WHEREAS: Despite being a maximum security facility, Dwight CC has one of the highest visitation rates in the prison system, logging more than 11,000 visits annually; and

WHEREAS: Dwight CC runs vocational programs including Helping Paws to train service dogs and academic and behavioral programs; and

WHEREAS: Dwight CC staff contribute enormously to the life of surrounding communities; and

WHEREAS: Like many communities in the area, Dwight CC employees are the backbone of the Dwight volunteer fire department, which means the community would have to recruit and pay to train their replacements; and

WHEREAS: Closing Dwight CC would require hundreds of employees to move to distant parts of the state—far from their families—or to lose their jobs altogether; and

WHEREAS: The jobs provided at Dwight CC pay fair wages and benefits, bringing greater economic stability to the communities in Livingston County where its employees reside.

THEREFORE BE IT RESOLVED: That the Pontiac Area Chamber of Commerce affirms its opposition to the Illinois Department of Corrections' planned closure of the Dwight Correctional Center and calls on Governor Quinn to halt all plans to close the facility; and

BE IT FURTHER RESOLVED: That Pontiac Area Chamber of Commerce calls on the Illinois General Assembly to adopt a budget that maintains full operation of Dwight CC and to take whatever legislative action is needed to ensure that the facility is not closed; and

BE IT FINALLY RESOLVED: That a copy of this resolution be sent to Governor Quinn, Senate President John Cullerton, House Speaker Michael Madigan, House Minority Leader Tom Cross, Senate Minority Leader Christine Rodogno and all legislators in the Dwight CC vicinity.

Senator Jeffrey Schoenberg
Commission on Government Forecasting and Accountability
820 Davis St. Suite 102
Evanston, IL 60201

Dear Senator Schoenberg:

Please know that this letter is being written to ask that you seriously consider the impact to my community, our schools, our locally owned local business, as well as that of my family and friends before recommending the closing of the Dwight Correctional Center. As a third term school board member and elected official like yourself, I understand the balance that you must weigh when considering what actions to take or recommend.

Over 28 years ago, I moved to Dwight, IL from a small town in Iowa as a college graduate to work at the RR Donnelley facility here. I have to admit that I was somewhat concerned about living in a village that had a maximum security prison in the area and at first was not sure that I wanted to live locally. These concerns were quickly dispelled by the local people that I met and through the years proved to be invalid concerns. In the time that I have lived in Dwight, I have seen the Dwight Prison community, employees and vendors as an integral part of our community. My husband and I have numerous friends that have been and others that are employed at the prison that are deeply committed to the residents and their rehabilitation. The programs offered at the prison are varied, well thought out and implemented. I have had the good fortune to have personal relationships with past wardens, office workers, guards and outside contractors. I feel fortunate to have had this facility located here.

Shortly after moving to Dwight, I fell in love and married a lifelong Dwight man. We've bought & renovated a home, built another and have raised 2 children here. We own a successful small business along old Route 66 (Route 66 Tire and Service Center) for the last 25 years that serves state facilities, as well as their employees, vendors, the local community and visitors passing through town. We are heavily invested both financially and emotionally in this community from ownership of a business that employs a number of individuals, to ownership of multiple homes/rental property. My husband, Keith Perry is the current President of the Dwight Lion's Club, served 25 years in varying roles on the Dwight Harvest Days Committee (the fall community celebration), lead fundraisers, youth sports teams and was the den master for the Cub Scout troop when our son was in Scouting. I am in my second term on the local high school board serving as Vice President having already served one term on the grade school board. Like my husband, I also am heavily involved in community organizations through our church, youth sports and women's activities.

As a member of management, I completely understand the hard decisions that have to be made in this economy. I would ask that you review and determine if the information provided by the governor's office is accurate. Just the little that I have read doesn't make sense or add up. I would challenge that this facility and what it offers the state, the residents & their children, the employees & their children is more than just the dollars that have been proposed by the governor. Moving these inmates and the services that this facility has does not make sense.

As a school board member, I am especially concerned about the impact that will be felt by our children/youth due to lost state financial support and cutting of programs. My husband and both of our children graduated from Dwight Township High School. Our son, Jared is an Eagle Scout and junior at the University of Illinois studying Actuarial Science. Our daughter, Ashley is a recent graduate of Illinois State University that has returned to Dwight to live & work while she waits for her boyfriend to return from serving in Afghanistan. There are numerous other examples of students that have gone on to living successful lives after being educated in this small town - doctors, those that have served / are serving in the military, teachers/college professors, politicians, professional athletes (football players), etc.

I urge you to carefully consider that the closure of the state's only maximum security women's facility doesn't add up and recommend that this successfully operated facility remain open.

Sincerely,

Kathy Perry

RE: Proposed Closure of Dwight Correctional Center

Once again, with little or no thought given to its impact on those that will be affected by the decision, it has been proposed in the State of Illinois 2012/2013 budget to close the Dwight Correctional Center. The proposal will result in a staff layoff of 350 employees and relocation of all current female offenders to the Logan Correctional Center near Lincoln, IL. To make room for the influx of female offenders at Logan, current male offenders at Logan will have to be relocated to the Lincoln facility. It is true that the Dwight Correctional Center buildings and cottages were first opened in 1930 and are in poor condition. The current building conditions are not the fault of the Dwight community, but the failure of those responsible who over the past decades failed to upgrade and improve the facilities. There may be perceived savings in the closing of Dwight, but what about the economic impact on the community being affected? When all factors are weighed, will the net result be any true savings?

According to the Illinois Department of Corrections fiscal year 2010 annual report, approximately 60% of incarcerated offenders are from Cook, Kane, Lake and Will counties. All females (2,751) were processed through the Dwight facility. The mission of the Illinois Department of Corrections is to protect the public from criminal offenders through a system of incarceration and supervision which securely segregates offenders from society, assures offenders of their constitutional rights and maintain programs to enhance the success of offenders' re-entry into society. Dwight is close geographically to the four counties where 60% of the offenders live. Director Godinez states in his IDOC fiscal year 2010 annual report message, "Successful re-entry is a major focus." Family support is important to the success of programs like *Women and Family Services Reunification, Moms and Babies,* and *Adult Education and Vocational Services*. I would encourage the Commission to use whatever influence they may have to convince the General Assembly to not only restore funding for Dwight in next year's fiscal budget, but also encourage funding for remodeling and renovation so that the Dwight facility can continue to be used into the future.

The June 5, 2010 tornado caused millions of dollars in damage to the cities of Dwight and Streator. We received no help from the federal government, but what we did receive was invaluable assistance from the Illinois Department of Transportation and the Illinois Department of Corrections. I would hate to see someone who helped us in our time of need lose their job. In today's economic times the loss of just one job will have a negative impact on our community; the loss of several jobs could be devastating. Thank you for the opportunity to express my views.

RESOLUTION 2011/12-38

RESOLUTION BY CITY OF STREATOR, COUNTIES OF LASALLE AND LIVINGSTON, ILLINOIS SUPPORTING THE CONTINUATION OF THE OPERATION OF THE DWIGHT CORRECTIONAL CENTER

WHEREAS, Governor Quinn and the Illinois Department of Corrections have announced the closure of the Dwight Correctional Center in Dwight, Illinois, and

WHEREAS, the Dwight Correctional Center has been an integral part of the Illinois Correction System for over 80 years; and

WHEREAS, the Illinois Correctional System is extremely over capacity, resulting in unsafe conditions, and the closure of Dwight Correctional Center does nothing to reduce this overcrowding; and

WHEREAS, the Dwight Correctional Center is an integral part of Dwight's, Livingston and Grundy County's and Central Illinois' economy by providing over 400 jobs and the purchase of goods and services from numerous area businesses; and

WHEREAS, the closure of Dwight Correctional Center would have a significant impact on hundreds of employees and their families, relocation away from their home communities or loss of employment, creating a destructive effect on their families and their future; and

WHEREAS, the financial impact on area counties, municipalities, schools and other valuable institutions would be devastating.

NOW, THEREFORE, BE IT RESOLVED that the City of Streator joins with other communities, counties, governmental bodies and interested persons and organizations in urging all efforts be made to maintain operation of the Dwight Correctional Center, and that steps be taken to develop a long-term plan for all correctional facilities so that host communities and employees do not need to experience the uncertainty of future potential closures.

Passed by the City Council of the City of Streator, LaSalle and Livingston Counties, Illinois at a special meeting thereof held on the **21st** day of **March 2012**, and approved by me as Mayor on the same day.

COGFA Speech

My Name is Major Darrin Shull, I am a shift supervisor at the Dwight Correctional Center. I would like to take a few minutes to talk to you about some of the ways that the shift supervisors, our dietary manager, clinical services supervisor and superintendent have made cuts to improve cost saving measures while still providing effective security and good quality of life for the offenders.

Our shift supervisors have been instrumental in providing excellent service to our administration while acting as a voice for them to the frontline staff, to ensure that all staff understand policy and follow policy. We ensure that as overtime posts are no longer needed, the staff is released so that unnecessary overtime payment is not made. The shift supervisors make every attempt to get mandatory overtime released and use volunteers to keep morale up on those days when mandated overtime happens. At other facilities there are sometimes one, two or even up to three clerical support personnel...at Dwight our shift supervisors have zero! Our shift supervisors also complete detail assignments while still supervising security posts. We complete internal audits, organize the fire safety department, assist at the training academy, we are urinalysis screeners and more. Our dietary manager has improved the quality and nourishment of meals while still holding cost to a minimum. Our clinical services supervisor currently is a temporary assigned shift supervisor. At what other facility could you say that shift supervisors are that versatile to cross over from security to clinical services and still ensure that this is completed with extreme detail. Once this closing was announced by the Governor our superintendent was asked to assist with planning for our receiving and classification unit, for the move. We do all of this without complaint because we know that it has to be completed. We do not have labor management meetings to complain about our lack of support staff, and we do not tell the Warden, the Director that we don't have time to complete projects because we are doing clerical work...we just get it done! When overtime is required to cover shifts our shift supervisors work alternate shifts to keep overtime at a minimum. Our shift supervisors compliment our administration; we do this because we care about our facility, our administration, our frontline staff and the quality of life for our offenders. Our members of ISEA 2002 are leaders in our community. I am the fire chief here for the Dwight fire protection district, our

dietary manager is a member of the Livingston county board, we are deacons in our churches, alderman, members of the VFW and people that our community and children respect, but closing this facility could change all of that. While your duty is to give your recommendation to the executive branch to either fund or close the Dwight Correctional Center we would like each of you to understand that Dwight Correctional Centers employees do everything we can to save money, provide quality of life for the offenders and serve the people of this great state....thank you!

Thank you for interest and attention with the possible closure of the Dwight Correctional Center.

Let me introduce myself. I am Deborah J Palmo of Forrest Illinois. I am a 63 year old female who worked at the Dwight Correctional Center starting in 1976. I retired after 25½ years. I raised two girls and one boy while working at Dwight. I started out as an officer, in five years they made me an acting Captain running the 3 to 11 shift, which I was then promoted into. This position was held approximately ten years and I then became the Record Office Supervisor for nearly two years. At this time both my parents became ill with cancer. I was fortunate to be able to receive a family responsibility leave. This carried me through their illness, death, and some responsibilities as their estate was taken care of. When I returned I was completely burnt out and asked to return as an officer. I didn't feel capable of huge responsibilities at that time. I then worked as a 6 to 2 Unit Officer where you transport inmates to medical appointments, court appointments or funeral furloughs. I then transferred to a Supply Supervisor working in the commissary or general store warehouse before I retired. This was a huge opportunity for a single mother to have a secure job with insurance and time off it afforded me.

Working at Dwight Correctional Center in the various positions gave me the opportunity to see from the institute from many view points. Working with female inmates takes a different mentality than working with the men. Many inmates come in without the very basic skills to clean

make beds, wash clothes, or even personal hygeine. Women are more persistant and everything is a crisis to them. No matter what involvement they had with their children before being incarcerated their children became all important. Women have more medical issues than men. Women as a general rule, didn't take care of themselves while living in Society due to many reasons, such as, being very poor, drugs, lack of knowledge, being afraid of doctor or the situation. Because Dwight houses women it tends to use more toilet paper and they are in need of Kotex and the female organs cause more medical issues.

Many of our women come from the northern part of Illinois. Altho, they are already sentenced many come in with outstanding warrants or they become an issue once the counties realize they are at Dwight. The counties want to clear their books of all warrants pending, so they are sent out on writs. There are three types of writs. Medical, court, and funeral furloughs. This process takes two officers per inmate of it is an individual inmate only. A writ for two inmates to the same destenation takes three officers and four officers for three inmates. Moving a death row inmate or high security inmate calls for at least two officers and a higher ranking staff member as a sergeant or a lieutent. Dwight Correctional Center sends all major medical problems to University of Illinois Chicago Hospital and to Morris Hospital for births. When officers are assigned to stay at the hospital with an inmate they are given travel time pay. The staff assigned to any writ that leaves or returns

from the institution receives overtime pay. The difference, sitting at the hospital they use their personal vehicles and employees assigned to daily writs use the state vehicles. Whenever possible all state vehicles are to use their institut. gasoline. In August 2011, one month period, the writs leaving Dwight were 135 to the north of Illinois and 27 to the south making this month 162. Closing Dwight would cause the female inmates to be on the road another hour one direction for a northern writ from Lincoln Illinois, Northern writs would cause excessively more overtime due to the difference in the mileage. Dwight has also built a new hospital which has 4 single rooms with air filteration systems, 2 hospice rooms, 3 for severely sick also 2 for segregation and some that could be double bunked. This hospital looks like an outside hospital wing.

Because of Changes in the laws and fewer mental health facilities Dwight receives many women with mental health issues. A new mental health building was built with four wings. Two are for the less or non-aggressive and two the aggressive inmates. Each room has an intercom in which the inmate may speak to the Panel Officer. The Panel Officer is able to open each door from this central location. All four wings are visible by the Panel Officer. Normally everything is done by the wing Officer with the supervision of the Panel Office The mental health staffing is a Psychologest, a death, Psychologist, a Counselor III and an activity Personel, Monday through Friday on the 8 to 4 shift. They also have a Crisis team and often use interns. There is an exercise area fenced outside the unit.

for the more aggressive inmates.

In the 25½ years I worked at Dwight Correctional Center the Industry was added onto for more storage as well as work space. Industry is a sewing center which has many state contracts for panties, shirts, robes, and etc for other state facilities, prisons, mental health and developmental institutes. The inmates enjoy the wages they receive here from the piece work they generate.

The distance from Chicago would put a hardship on many relatives of the inmates in order to visit. This trip to Lincoln is another 100 miles south and gas is much higher now. Another problem then becomes transportation. many do not own one and have to pay someone to take them to Dwight.

Dwight Correctional Center has around 175 services that come in. This has taken many years to develop. Changing the woman location would adversely effect the women services.

In 1976 when I started at the Dwight Correctional Center the highest ranking staff member on the grounds running the shifts were sergeants. They finally recognized the issue and Lieutenants and Captains title were made. All new hired officers into corrections has a training period of several weeks. Mine was in Chicago at the St Xavier College it is presently held in Springfield. The training at my time was given by personel who taught what to do in a mens institution then followed with the statement, we don't know what you do at Dwight. In 25 or more years the Dwight Correctional Center has come a long way and now are on track

In 1976 when I started at Dwight the population was in the 300's only. We called the building cottages and two cottages, C1 and C6 housed men. The men didn't remain long because the ancestors of the family who had donated the land for the purpose of a women reformatory only; and they would take back this land if the men weren't removed. This is approximately 152 acres broken into several areas the Wardens house and grounds, the institutional grounds, a pasture area, and a piece of cemetary. The cemetary has been used for unclaimed women and a few babies. The early years the women gave birth at Dwight. This was well before my time and I know very little about this. There is a large history with the Dwight Correctional Center. The grounds look more like a college campus. Should this property be abandoned for the purpose of a women prison it would be lost to the state for anything else. In the years I worked at Dwight many buildings were built. The multi-purpose building - which contains the staff commanders office, roll call room - control center - visiting room, gym, the armory and the entrance in and out of the institution for staff and visitors; a Chapel an educational building that's teaches photography and food prep, an X house which holds newer inmates, high classed inmates, and drug treatment in the 4 wings, C11 was renovated for classrooms, C12 and C14 are 4 winged units, C15 is the segregation unit which also had a special area to hold the death row women, Mental health unit is also a 4 winged unit with offices the non correction staff; laundry with that also has an area to make repairs to uniforms; a new central dinning room. While

the old dinning rooms a training area and pet care area for the dogs that are housed at C with their trainers, all the dogs are rescue dogs; a warehouse outside the grounds with 4 or 5 freezers - this also give better control of large trucks entering the grounds.; water treatment plant has been upgraded and industry added onto. This most likely is not all the completed building projects. I had hear the town of Dwight is going to running water or sewage to the Correctional Center

The last FALN member we housed at Dwight came to me just before she was leaving for federal prison and told me to retire. She stated the inmates coming in were younger, more aggressive and just were not safe to be around.

I took my children into Dwight on several occasions at various ages for tours or to watch the institutional band to perform. The women treated my Children very well and gave them respect. This seemed to help my children known a little about this prison. I worked at lessoning their concern this is no longer allowed.

My favorite story was of Charlene. a mental health inmate being held in segregation for a rule infraction. Charlene could be very demanding. On one of these days I asked Charlene to listen to a rhyme my grandmother had taught me and she listened very intently. I said there are two little magic words that would open any door with ease one little word was thanks and the other little word was Please. Charlene eventually left the institution only to return sometime later and causing havoc in the intake area. I was a Captain at the time running the 7-3 shift so I

went to check Charlene out. I found her at the back gate of the Administration building on the outside and I was on the inside Charlene was swaying from side to side, wided eyed and a little rattled. I got close to her and asked if she knew who I was, repeating it three times. Charlene finally shook her head as to clear her mind and said there are two little magic words that will open any door with ease one little word was thanks the other little word was please. She couldn't recall my name be she could recall something I may have told her twice. I stood there dumb founded! This is one of many stories from working the Dwight Correctional Center.

Closing Dwight Correctional Center for many reasons but mostly monitarally makes no since! I truly believe the governor doesn't know enough about Dwight.

MENTAL HEALTH UNIT TREATMENT PROGRAM PROTOCOL for COGFA HEARING

- Hello, my name is Dawn Bufford, Senior Staff Psychologist III @ Dwight Correctional Center.
- Dwight MH ADM and I have 20+ years of experience working with mentally ill individuals and have been the consistent core of the MH TX team since 2006.

➢ DCC is a unique & multifaceted institution providing multiple levels of mental health services from chronic, severe mental illness to behavioral interventions. Mental health services include:

- Intake for the female division – diagnosis, Reception & Classification
- Service for all 3 levels of security designations, (maximum, medium, minimum) within one facility
- Infirmary offenders, suffering from physical health issues
- Pregnant offender's
- Mentally ill offender's
- Crisis watches of offender's due to reports of suicide or homicidal ideation
- Each group range of illness from-- psychosis, major depression, anxiety, grief, personality deficits, and anything within the DSM IV Diagnosis Manual.

➢ Placement and treatment of individual's on a mental health unit require specific and multiple trainings, (which Logan MH staff are not trained, due to allocation of male offender's in specific designated male facilities)

➢ Dwight Correctional Center MH staff are trained and experienced in:

- Diagnosis of mental illness
- TRC Hearings: for the Enforcement of psychotropic medication; for delusional, hallucinating, psychotic, or self-injurious offender's (cutter's, ingestion of non-food items, overdoses, and hangings) to prevent continue self-harm. The Medical Director, Mental Health

Adm, Psychologist's, Psychiatrist's, and Counselor must be trained to intervene in the process of Enforced Medication Status.

- Medication compliance – working in concert with Psychiatrist's.

- Designated Therapeutic Treatment Programs with tested validity:
  - DBT – Dialectical Behavioral Therapy
  - CBT – Cognitive Behavioral Therapy
  - SOMB – Sex Offender Certified
  - Provide Crisis Team Training for staff
- Commitment thru court order of mentally ill offender's paroling and in need of institutional placement due to severity of mental illness.

- This training is not limited ***to but inclusive of*** security staff, non-security staff, and any areas which staff is directly in contact with offender's for safety and security of both staff and offender's.

- These programs were highlighted in the Rashhow Team that examined Illinois correctional facilities programming efforts. (of which DCC excelled)
- A team reviewing 4 institutions for CENTERS FOR EXCELLANCE facilities visited Dwight 3 weeks ago due to developed and operational therapeutic interventions that included mental health, medical, training programs, and education.

- 29 offender's have completed the MH Tx Program Protocol and successfully living in general population.
- 12 offender's last month were promoted within the MH Therapeutic intervention program
- 5 offender's should graduate from the MH TX Program and move to general population within next 2 months.

MENTAL HEALTH UNIT TREATMENT PROGRAM PROTOCOL for COGFA HEARING

4-4-2012

1. MENTAL HEALTH UNIT PLACEMENT
    a. Program orientation to housing unit placement on MHU. Copy of Orientation Booklet attached.
    b. Initial treatment plan devised and written.
    c. Explanation of MHU step-up program: At Dwight Correctional Center, we have 3 levels of birds:
        i. Stage 1: Hummingbird, placement on unit
        ii. Stage 2: Swan, participation, job or school, roommate
        iii. Stage 3: Eagle, Relapse Prevention Plan.
    d. Each offender is given a MHU orientation handbook.
    e. Each offender is given qualifications for ability to change levels with eventual goal of moving to general population if offender is capable.
2. Weekly group therapy is required during housing on MHU unless deemed incapable of participation by MH Treatment Team and MH Administrator.
3. Three different group categories of treatment for offender's dependent on offender's psychiatric diagnosis is designated per MH Treatment Team.
    a. Healthy Thinking Group: diagnosis of Schizophrenia Disorder, Schizoaffetive Disorder, Psychotic Disorder, or Delusional Disorder.
    b. Mood Disorder Group: Depressive Disorder, Bipolar Disorder, or
    c. Anger Management Group: Anger issues, Impulse Disorder, Anti-social Disorder
4. Monthly Community Meeting: Goal of community meeting is to re-inforce positive behavioral interactions with staff and other offenders; review unit rules; and acknowledge each offender that move through MHU step-up program.
5. Quarterly Staffing with each Offender assigned living on MHU.
    a. Quarterly Staffing is to discuss with Psychologist III, Unit Counselor, and Unit Security Lieutenant:
        i. Review Offender Treatment Plan and make adjustments and changes with offender's progress.
        ii. Discuss any Counselor questions i.e., outdate, security changes, badge level change (maximum, medium, low).
        iii. Discuss with Security Lieutenant any security issues, behavioral issues, ticket related issues.

6. Note: Last month 12 offender's living on the MHU was promoted from one level to next, a testimony that therapeutic consistency and interventions are productive. One offender moved into general population.
   There are currently 3 offenders' that have moved off MHU since Jan 2012.

   29 of offender are currently living in general population that has graduated from the Dwight MHU South Side Treatment Program.

My name is Mary Sigler-Quigley, I was the Warden at Dwight Correctional Center from October 2004 until my retirement in December 2008. Based on my experience I contend that the response given by DOC regarding closing Dwight has many flaws:

1. Dwight Correctional Center is a maximum security unit, Logan is not. Therefore, specific costs will need to be incurred to bring this facility into compliance with high risk offenders.
2. Dwight currently houses a number of specific populations that Logan does not: behavior disordered, long-term segregation, protective custody, critically and mentally ill, pregnant, and intake offenders. Each of these require specific housing types and mandated programming that will need to be developed at an increased cost not reported.
3. I believe bedspace at Logan Correctional Center will not accommodate the female population. You have many offenders who require single-cell, specialized housing due to their physical/mental conditions and this is not being taken into consideration.
4. Cost of the conversion is highly suspect to me. What about: establishment of an Intake Unit; bathroom renovation cost; segregation and mental health housing requiring specialized equipment; Capital Development Projects that are needed at Logan; increased transportation costs to take offenders on northern writs and furloughs to name a few.
5. Many of the Capital Development Projects listed for Dwight have been on the list for years, many prior to my being Warden. There would be no cost savings on these as they have never been budgeted and a number of them are not an emergency.
6. Dwight currently has an increased number of female officers to assist with posts in sensitive areas due to an agreement between the Union and IDOC in hiring practices for Dwight. Due to the current Union agreements regarding transfers this will not be taken into consideration, therefore causing an increase in overtime for females in gender sensitive posts. Additionally, Dwight staff have been trained to work with the many specific population needs, cost to re-training staff who are accustomed to working with medium security males instead of the specialized population of Dwight is not listed.

7. Dwight has developed a number of cost-free support systems which would no longer be available at Logan. This will increase the cost of programming until such time as a network connection can be made for the new location. In fact, Dwight is the only facility that has a beautiful stand-alone Chapel that was cost free to the State because it was built with donated funds through this networking process.
8. Dwight Correctional Center's 1930s cottages and administration building are on the historic registry. This means that the buildings will need to be maintained for years to come. The noted cost for maintenance of these building by Pontiac Correctional Center, in my mind, is under valued.
9. Lastly, there is no cost comparison that can be done regarding the damage this move can do to the family relationships the offenders have with their children and significant others. The majority of our intake population comes from Cook County. It was not uncommon when I was Warden to receive an offender from Lincoln or Decatur because they were having visiting difficulties and could not see their children. About 90% of the women IDOC receives have children. These are the innocent victims of the crime that often get overlooked. A great support system has been put in place to help provide visiting for these small victims - in fact a special video visiting system was put in place so children could still visit with their mothers even if they were in segregation.

I appreciate the chance to share my views on this matter and if you are in need of any further information or clarification, please feel free to contact me.

SAINT JAMES-JOHN W. ALBRECHT
MEDICAL CENTER

April 4, 2012

Commission on Government Forecasting & Accountability
703 Stratton Office Building
Springfield, IL 62706

RE: CLOSING OF DWIGHT CORRECTIONAL CENTER

To the Commissioners:

My name is David Ochs, President and Chief Executive Officer of OSF Saint James - John W. Albrecht Medical Center in Pontiac. We are part of OSF Healthcare System, whose Corporate Office is located in Peoria. OSF Healthcare System currently has eight hospitals consisting of 1,300 licensed beds; 2,000 physicians and mid-level providers; 14,000 employees, and two colleges of nursing. OSF Healthcare also operates a home care and hospice agency, and has 90 physician office locations, an aviation service that operates four helicopters, and two Level I trauma centers in Peoria and Rockford. OSF Saint James - John W. Albrecht Medical Center consists of 475 employees, including 28 employed physicians and mid-level providers, and serves as the resource hospital center for EMS services throughout all of Livingston County. The annual patient activity shows 1,862 admissions; 166,176 outpatient visits; 13,400 emergency visits; and 249 births.

I'm here today to identify the negative impact the closing of the Dwight Correctional Center would have on our organization, community and the availability of healthcare services throughout our area in the future. As I mentioned previously, OSF Saint James and the OSF Medical Group has 475 employees, and some of these employees have spouses or other significant wage earners within their families who work at the Dwight Correctional Center. The loss of jobs at Dwight Correctional Center will not only cause immediate financial hardship for these employees, but will also impact the hospital and physician offices because their spouse will have to take a new job elsewhere. We anticipate approximately 13 positions would have to be replaced in order for us to continue to maintain healthcare services at the same level in our hospital and in the physician clinics. The recruitment of skilled healthcare professionals, such as nurses, therapists and clinical technologists, is extremely difficult, and when considering our rural location, the level of difficulty becomes even more pronounced. The loss of already existing and experienced healthcare workers would cast a hardship not just on our organization, but on the patients who depend upon them when they become sick or injured. Because of the limited availability of skilled healthcare workers, we would be forced to fill these positions at the medical center with temporary "agency professionals" which are costly for our organization to obtain in our rural setting. We estimate our "agency professional" costs would increase by 50% if the correctional center is closed, adding an additional $300,000 per year in direct costs to replace these valuable professionals and other hard to find employees.

Without Dwight Correctional Center, reimbursement to OSF Saint James and our physician offices from the State of Illinois for healthcare services could decline by more than $1.7 million, a significant blow to

our small facility's financial operations. This decline may only be the tip of the iceberg. If local businesses depend on purchases from Dwight Correctional Center and its employees, and those workers move away or lose their health benefits, we will see our patient volume and revenue decline even more. As the County's only hospital, and the provider of a majority of its healthcare services, our financial viability is critical to sustaining the quality of life in Livingston County and attracting new residents, businesses and professionals.

In addition, people without healthcare benefits or those who fear a financial decline have a tendency to delay healthcare services, refilling prescriptions and reporting symptoms to their doctor. Often, these actions lead to more severe health conditions or medical emergencies, which are more risky for the patient and more expensive to treat. These situations only drain financial resources from these families and the medical center. After years of work to bring world-class professionals and quality healthcare to our community, it's discouraging to see a decision made by State government that may cause people to postpone seeking treatment for their healthcare needs. It is also discouraging to think of the impact the closing of Dwight Correctional Center will have on the professionals who have chosen to live in the Livingston County area. With declining economic conditions, many of these professionals could choose to leave the area and establish their medical practice elsewhere.

Based on the estimates that the medical center will lose approximately $1.7 million due to the closing of Dwight Correctional Center, the scope of services that OSF Saint James and the OSF Medical Group can provide to the Livingston County residents will quickly be impacted. In Fiscal Year ending September 30, 2011, OSF Saint James provided $9.2 million in uncompensated care for the Livingston County community. With the projected loss of income related to Dwight Correctional Center's closing, we will be forced to eliminate these community benefits and services, such as general and patient education programs, monetary donations to local community service groups, community-based training, guest speakers, and support groups. The hospital would also have to consider ways to significantly alter the delivery of emergency, obstetrics and surgical services. The closing of Dwight Correctional Center would significantly impact the overall delivery of care at the medical center by lowering revenues, increasing charity care, and eliminating future investment in services that may be required by an aging population.

The financial impact would also extend beyond OSF Saint James Medical Center to affect OSF St. Joseph Medical Center in Bloomington and OSF Saint Francis Medical Center in Peoria. Employees of Dwight Correctional Center, and their families, use these tertiary care facilities frequently for services such as cardiac surgery at OSF Saint Joseph Medical Center, and care for ill newborns at the Children's Hospital of Illinois in Peoria. These medical centers would also see an increase in unreimbursed care at a time when OSF Healthcare System already provides far more than the required amount in uncompensated care. OSF Healthcare System provided $257 million in "community benefits" for the people of central Illinois in Fiscal Year 2011, an amount equal to 16% of its net patient revenue (revenue before operating expenses are deducted).

And finally, with the loss of such a large amount of revenue and the county's economic status weakened, the planned purchase of new technology and the development of new services at OSF Saint James would be significantly delayed. As the only provider of around-the-clock acute diagnostic, surgical and emergency services in the county, this decision to close Dwight Correctional Center would have a serious negative impact on all citizens in the county, but particularly those most critically ill or injured.

Access to quality healthcare is a fundamental element in a strong, vibrant community, and contributes to the quality of life for all of its citizens. For over 105 years, OSF Saint James has been a proud leader in providing healthcare services to the people of Livingston County and beyond. The closure of the Dwight Correctional Center would limit the depth and breadth of our services for some time to come, maybe permanently.

Sincerely,

David T. Ochs
President/CEO

My name is Sara Carter; I am a Regional Director for the Wells Center and supervise substance abuse programming in the Women's Division. Women who are eligible for EGCC (I will say the words, just shortening it here for time's sake) can earn it by being in substance abuse treatment and the amount of EGCC days that Wells Center submits each fiscal year more than pays for the cost of our General Revenue Program. The research tells us that the two programs that have the greatest impact on reduced recidivism are substance abuse programming and education. Wells Center's recidivism rates for women who successfully complete the program are very low. It is not for me to say whether Dwight should remain open or closed; however, I would like to speak on behalf of the women who are suffering with the disease of addiction and those who also are fighting their own battle with addiction as well as mental illness. Dwight has the only program for the mentally ill substance abusers/addicts in the state. It is federally funded. The program is small, 28 beds, but the need is great. We always have a waiting list and it would be even longer if we listed those women who qualify due to their diagnosis, but who, at this point in time, do not meet the strict time criteria that the federal funds have in place. Where would they go and how would their needs be met? These are women who may actively hallucinate, are dissociative or delusional, who struggle with PTSD due to the trauma that they have suffered and struggle with flashbacks. I am concerned for their welfare in this plan. The other issue on my mind is the children of the women at Dwight. The majority of the women come from the Chicago area and while it may be a hardship; their families do their best to visit. Moving the women further from their minor children may well cause trauma for the innocents in this situation; the children. Contact with their mothers is vital during the developmental stages and the lack of contact can lead to their own developmental delays as well as attachment disorders and a sense of abandonment. While the attitudes, behaviors, and beliefs of the addict are a mystery to those who have not experienced the horrors of this disease, I think we could agree that it is better and easier for all concerned to bring up the child in the most correct way possible than it is to try and repair an adult once the damage is done. Thank you for your time.

Dwight Tourism

209 S. Prairie Ave.
Dwight, Illinois 60420
815-584-3077

Thank you for your time this evening. I am Janice Lauritzen the Executive Director of Dwight Main Street and a Board Member on Dwight Tourism. I am speaking on behalf of the small businesses in Dwight tonight and their employees, which are the backbone of our community. I'm sure you hear the word "devastating" at every hearing in every community you visit. Let me point out an area where we feel we are unique, "tourism dollars" and our close proximity to the city of Chicago.

Our businesses in Dwight are blessed to also receive revenue from tourists. Historic Route 66, the most famous road in America runs through our community. The "Mother Road" born in 1926, four short years before the opening of the Dwight Reformatory for women may have been one of the reasons the prison was located in Dwight. The opening of Route 66 made travel from Chicago more accessible for everyone, including law enforcement transporting inmates and family members alike, with Dwight being just a short 75 mile drive from the city. Although more than half of the inmate population in Illinois comes from Chicago and Cook County, 15 of the state's adult correctional centers are located more than 200 miles from the city.

An analysis done by Chicago Reporter shows those inmates closer to Chicago have much higher visitation rates. This Chicago Reporter study also shows that Dwight residents had more than 11,000 visits annually. By comparison the visitation rate at Logan, 170 miles from Chicago is 40% lower than Dwight. As you know roughly

60% of the residents of the Dwight Correctional Center come from Cook County alone.

Using the Federal per diem cost of $46 per day, Dwight's 11,000 visitors at the Correctional Center alone amount to $506,000 of annual sales for local business. These so called "tourist dollars" are not addressed in the impact study done for the Department of Corrections.

78% of Dwight Correctional Center residents are moms, moms who depend on visits from their children, kids who need a mom in their lives. By closing Dwight the State will put an additional burden not only on Dwight businesses who depend on these tourism dollars to make ends meet, but on kids and families already struggling to survive with a mom in jail.

Members of COGFA and members of the General Assembly, don't forget these silent victims, these littlest of victims, the children of the Dwight inmates. Please vote NO on the recommendation to close Dwight Correctional Center. As legislators, please find a way to put funding for Dwight back in the budget. Please don't place undue burden and hardship on the children of the Dwight inmates and also destroy our community. Please save Dwight.

Thank you.

Dwight Economic Development Commission
209 S. Prairie Avenue
Dwight, Illinois 60420

The Dwight Economic Development Commission strongly opposes the closure of the Dwight Correctional Center.

Our mission is to help the Village create and retain jobs as we continue to increase the quality of life in the Village of Dwight. It's not an easy task and over the past ten years has been exceptionally challenging in rural small-town Illinois. Dwight and our area of Illinois is rich in farmland and farmers but poor on jobs. Loss of the prison jobs will have a domino effect in our area. Not only will the State and its affiliated jobs be gone, gone for good, but the loss of sales and people and visitors will have a big impact on other jobs and businesses in Dwight. Sales tax revenue generated in the Village, which has already been declining with the loss of two car dealerships, will take a big hit.

Our small business community is already struggling to make ends meet. Unemployment in our area continues to be above the state and national average. This area of Illinois will never get ahead; never get back on its feet, if the Dwight Correctional Center is closed. We already have eleven vacant buildings in our Downtown Business District. What effect will a vacant run-down prison have on our ability to attract new investment to the community?

In addition to the loss of jobs to our area, we strongly oppose the proposed closing of Dwight for another very simple reason. Illinois' prison system is already overcrowded, operating at more than 150% above the system's capacity. Given these overcrowded conditions, there is no way the Illinois Department of Corrections can lose another 1,000 beds.

Further Prison overcrowding contributes to dangerous situations for employees, for inmates and for the individual communities and general public. Closing prisons is not the answer. While in the short term there may be some cost savings to the Department and the State of Illinois, long-term it will likely produce not only financial, but social burdens on the State.

Dwight has always been the model prison on how it rehabilitates its residents, educates its residents and provides them hope in a dark situation. Clearly, the Dwight Correctional Center in comparison to the rest of the Illinois prison system is an effective and efficient facility.

The Dwight Economic Development Commission would propose to you that Illinois begin making decisions like facility closures based on planning and need. We also urge you to remember the fragile economy of our area of Illinois in making your recommendation and to fight to put funding for Dwight back in the budget.

Respectfully Submitted,
Gibs Nielsen, Chair

The Honorable Pat Quinn
Governor, State of Illinois
207 Statehouse
Springfield, IL 62706

Dear Governor Quinn:

As county board chairman representing Kankakee County, I am greatly concerned about the closing of the Dwight Correctional Facility. The Dwight facility's economic impact covers a wide region including Grundy, LaSalle, Livingston, and Kankakee Counties. The most recent employment data released by IDES shows the aggregate unemployment rate of the four counties at 11.1% compared to the State rate of 9.4%. Statewide, three of the four counties top the State's unemployment list.

The potential of 629 jobs lost to the region will have dramatic effects. Based upon a recent Northern Illinois University economic analysis of the closing, the region stands to lose over $28.1 million in direct and indirect employee compensation and $16.2 million in business sales and output.

There is an even greater impact locally here in Kankakee County. The February 2012 employment data shows our county to have the highest unemployment rate of any state MSA at 12.9%. According to Correction Facility records, 76 correctional employees, approximately one-quarter of all employees, reside in Kankakee County. The closing and loss of employment for our residents will compound an already devastating unemployment condition in Kankakee County.

I am respectfully requesting that the State of Illinois reconsider its announcement to close the Dwight Correctional Facility in order to maintain and stabilize a fragile and challenged economic region of Illinois.

Sincerely,

Michael Bossert

Commission on Government Forecasting and Accountability

To Whom It May Concern

Re: Save Dwight Correctional Center

Dear Sir,

Beyond the direct and indirect loss of jobs, loss of students and loss of residents, I believe there is a real threat to each and every business in the Village of Dwight and the surrounding area. Small communities are the last bastion of locally owned and operated "Mom & Pop" businesses that have already declined in this financial crisis.

After witnessing the poor management of the State and Federal Governments for several years, I am confident that proper management aimed at efficiencies and productivity across all government services, employees, employee benefits and pensions would cure our financial deficits. Politically, the unpopularity of eliminating the unnecessary programs and staff may be a career ending choice. However, as a Commission on Government Forecasting and Accountability, your "forecasting" should be pro-active in resolving problems before they evolve into a crisis while having accountability to maintain a positive budget in a perpetual manner. If this Commission does not have the power to influence the overall budget in this manner, I strongly ask that you review all options to cut costs in smaller increments across a larger number of services and employees.

Statistics show the need for the Department of Corrections to not only retain the Dwight Correctional Center but to maintain it to a level of efficiency. Significant capital has been invested to house and process the residents and relocating them and leaving this facility appears to be the classic short term approach to a very large and long term lack of fiscal responsibility.

Generally, as a taxpaying citizen responsible for managing a $135,000,000 bank, I do not understand how things got this bad. When the State or Federal Government does not pay its bills, it is time to make difficult and unpopular decisions.

The State of Illinois, each and every employee and all State, County and Village Officials need to take immediate action to end this fiscal irresponsibility.

Respectfully,

Stephen R. Wilkey

Members of the Commission:

My name is Bob Ohlendorf and along with being a lifelong resident of the Village of Dwight and the owner of the Country Mansion Restaurant, I am currently the President of the Dwight Area Chamber of Commerce. I would like to thank you all for holding this hearing in Dwight today so that all interested parties have an opportunity for input regarding the Dwight Correctional Center.

The Chamber is here along with Dwight Main Street, IMPACT Dwight, Chambers of Pontiac, Streator, Grundy County and the Kankakee River Valley, as the voice of business united as one to show our support in favor of keeping the Dwight Correctional Center open. The Chamber's mission is to create and retain jobs in the Dwight area. As Dwight's second largest employer with over 450 employees, the Correctional Center jobs are critical to the health of our community, which has been struggling for the past decade and the loss of these jobs would devastate Dwight.

As business people we understand, possibly more than others, the deep financial problems that the State of Illinois is in. We too struggle every day as business owners to balance our budgets and grow our revenue while keeping costs down in the midst of rising expenses.

I know you hear this at every hearing you have but the closing of the Dwight Correctional Center will have an impact on the regional economy far beyond the loss of jobs and income to the employees and service providers. Sales to the rest of the small mom and pop businesses in Dwight will also be adversely affected. This is Dwight, we don't have the "big-box "stores like Wal-Mart and Menard's and Walgreens. Our businesses are local owner-operated stores such as Berta's Hardware, Zeke's Furniture Mart and Doc's Drugs. According to the Northern Illinois study the Dwight Correctional Center closure will eliminate 454 prison jobs along with 175 private sector jobs. We are a community of 4,300 people, a county

of only 36,000 people. We can't afford to lose one job let alone the 629 I just mentioned.

Small communities and vibrant Main Streets are the backbone of America. We are people who get up every day, take the kids to school, go to work, and work to better the lives of our children and families. The stability of a community, of a Dwight, is based on strong families, strong schools and strong small businesses that support us. Removing families and weakening businesses from our community will be the beginning of the end of us.

As I stated earlier, we are the Chamber, the Business people's organization. We know the State is in a mess and cuts need to be made. But it makes no business sense to close a facility in an already overcrowded system. There are currently roughly 48,000 people incarcerated in a system designed for 33,000. Losing another 1,000 beds by closing Dwight makes absolutely no sense.

Transferring jobs from one area of the state to another is not sound fiscal practice.

The Dwight Correctional Center has been an integral part of our community for over eighty years. It remains a very safe and secure facility. For years it has worked to rehabilitate women, not just incarcerate them and has successfully carried out its mission for the Illinois Department of Corrections and all of the people of the State of Illinois.

Tough decisions have to be made in Illinois, we all know that, but priorities also need to be set. The Dwight Chamber respectfully urges you to put Dwight back in the budget and keep this facility open.

Thank you for this opportunity.

RESOLUTION SUPPORTING THE CONTINUED OPERATION OF THE DWIGHT CORRECTIONAL FACILITY

WHEREAS, the GEDC, supports economic development activities that promote business development, stimulate employment opportunities, and produce a positive effect upon the tax base, standard of living, and quality of life in the region; and

WHEREAS, Governor Quinn and the Illinois Department of Corrections have announced the closure of the Dwight Correction Center in Dwight, Illinois; and

WHEREAS, the Dwight Correctional Center has been an important part of the Illinois Correction System for over 80 years, and

WHEREAS, the Dwight Correctional Facility, is an integral part of Dwight's, Livingston and Grundy County's and Central Illinois' economy by providing over 400 jobs and the purchase of goods and services from numerous area businesses; and

WHEREAS, the closure of Dwight Correctional Center would have a significant, negative financial impact on hundreds of employees and their families, communities, counties, schools and other valuable institutions; and

WHEREAS, the Criminal Justice Committee of the Grundy County Board has carefully reviewed the potential closing and adverse impacts on the County as a whole and the Committee strongly recommends keeping the Dwight Correctional Center open.

NOW, THEREFORE, in consideration of the significant negative economic and public safety effects the closure of the Dwight Correctional Facility would have on the area, the GEDC hereby resolves to oppose the closure of the Dwight Correctional Facility.

Resolved this 15th day of March, 2012.

Once again a governor has decided to close a prison to save money. First it was Pontiac, then it was Logan 7 months ago and now its Dwight Correctional Center. The Village of Dwight has been through a tornado, losing 2- car dealerships, RRDonnelley cutting 1/3 their work force, threat of closing WW Fox . This has really hurt!!

I have two parts to my testimony, first want to speak about some of the facts and figures about the cost savings. These reports a not true figurers and reflect on facts the state wants to use to sound like great savings. Larry will give facts later.

Second I want to stress location of the Dwight Correctional Center. This is an ideal location 1 hr, 10 min. from Cook County Chicago just off Rt 55, 45 min from Will County Joliet. No where have I seen the additional costs for transporting additional miles, and labor for the guards. Its another 80 miles (1hr 45 min.) to Logan. The extra cost of labor and fuel will quickly eat up any suppose savings!! Additional expense and burden on people coming from Cook County, Chicago to visit a friend or relative. Children wishing to see their mothers. 75% of the women have children and 85% come for the Chicago Cook County

To wrap-up my testimony I'd like to ask the commission and Governor to reconsider the closing, and realize the impact to Dwight, LaSalle, Livingston Grundy and Kankakee Counties. The impact of families of the employees of the Dwight prison. The families, friends of the inmates, inmates themselves! This can't be measured by spreadsheets or computer programs. Its personal, emotional and devastating.

Thank you.

My name is Larry Vaupel and I am the CEO of the Greater Livingston County EDC. Thank you for this opportunity.

The negative effects of the "Great Recession" are still being felt in our area. All told, the recession stole 1700 jobs from Livingston County alone. The additional job losses from the closing of the Dwight Correctional Facility would only exacerbate the lack of job opportunities available to our residents.

While the REAL Economic Impact Study illustrates the gravity of the situation, they did not include the vendor and contractor jobs at the prison in their job analysis. We contracted with NIU to study the impact of the prison closure on job losses utilizing the same IMPLAN modeling software used by DOC's consultant.

We found that the number of direct job losses is actually 454 and the total number of job losses in the four county region could be as high as 629. Add this number to the 1700 jobs lost during the recession and we're talking about 2329 jobs – or 12% of the total number of jobs in Livingston County. The $53.7 million dollar loss of gross regional product estimated by DOC's impact study represents 5% of the entire gross regional product. Having $53.7 million evaporate from our struggling economy would be devastating to our rural communities like Dwight.

We all understand the importance of balancing the State's budget. However, there has to be a better way to balance the budget than to do so on the backs of a hard-working, rural community like Dwight.

My name is Dezi Leonard, I am thirteen years old, and I am in eighth grade. I also have a sister who is 8 weeks old. My parents decided to move to Dwight and raise a family because of the community and the great schools. I have been a member of this community for my whole life. My Dad is a Lieutenant at the Dwight Correctional Center and has been employed there for 18 years. As an eighth grader I will be graduating in a few weeks and I am really looking forward to be attending my four years at the Dwight Township High School, unfortunately now that might not be the case if the prison closes.

I grew up in Dwight and would like my little sister to be able to grow up here, too. The closure of this facility is affecting my family and many others of this Community. The schools and the businesses here will suffer terribly because people will have to relocate in order to find new jobs. The biggest thing is the unknowing and where we will go from here.

I play softball for the Lady Warriors out of Morris I have been with this program for two years now and really enjoy the program. I also go to pitching lessons in Pontiac and have been going there for three years. With all of my hard work that I have put in for softball, I would really like to get a College Scholarship. If I have to move, there's a chance that I won't be able to go back to the same team, my same pitching coach, and most of all, I have to leave behind all the friends I made between the travel league and pitching lessons, and my school. I urge you to keep Dwight Correctional Center open saving my family and the Community of Dwight.

To whom it may concern,

My husband has been an employee of the Dwight Womens' Prison for almost a year and a half. When we heard about this possible closure of the Prison, panic began to settle in. Seven months ago, we had a little girl born with multiple health issues. She was born with a Cleft Palate, a hole in her art, misplacement of an artery in her arm, and was also diagnosed with PRS (Pierre Robin Syndrome). She goes to Loyola hospital 1-2 days a week, sometimes more for treatment. She has had 2 surgeries to date, and more are to follow. Losing this job, and insurance would be tramatic for us at this time. Our daughter, will be going through many kinds of therapy, may need excessive dental work, and may continue to have to follow up with her "Team" of doctors for years to come. We pray everyday that the threat to close down the Prison in Dwight, is just that, a threat. We hope for the sake of our Daughter, and the many other families that will be affected by this decision, that you find it in your hearts, as well as the Illinois Budget to PLEASE keep this Prison open.

Ladies and Gentleman, before I began my testimony in support to keep Dwight open. I want to apologize to this body of senators and representatives. At the last COGFA hearing my remarks were a bit abrasive and may have been insensitive to members of this committee at a hearing in LINCOLN. For that I apologize. I assure this committee that my content is vital to keeping DWIGHT open and the other facilities. My delivery will be tamer and calmer.

I believe that this committee has a hard job and will listen to all the testimony and make a fair decision. Just as I believe in our Executive Staff Henry Bayer and his staff and the standing committee of Presidents on the Department of Corrections and the Department of Juvenile Justice. These men and women have many years of experience that can offer your committee answers to save millions of dollars to keep DWIGHT open. I also propose that instead of your committee having to go to different agencies when the Governor chooses to close facilities. That your committee and our AFSCME staff along with CMS come up with valuable solutions to save the state millions and even billons of dollars. This joint effort would be more beneficial then the negativity of destroy a community.

My dilemma is two minutes is not enough time. The state was allowed some forty-five minutes to present their case. My testimony tells a true story. A story about a officer that has stolen from the department of corrections and the state of Illinois. In four years this individual stole 6000 hours of overtime, and in six years 7200 hours of overtime. That thief is me! In four years I grossed a half a million dollars. I would like to ask for ten minutes to present solutions to save the state of

Illinois millions of dollars and keep all these facilities open. I think I have earned that amendment to the rules. I stole 7200 hours of overtime the old fashion way I earned it. And the state of Illinois signed every pay check, and the Wardens signed every single hour of overtime slip and approved them.

How did things get so messed up? One thing was when Governor Blagoivich put a freeze on hiring for four years in the department of corrections and djj as well as other agencies. Employees retired, and no hiring to fill the vacancies. The other problem was the department of corrections hired a hatchet man. The hatchet man went to twenty seven facilities slashing correctional officers, sergeants, lieutenants. Then the hatchet man began to cut clerical jobs and other departments. The hatchet man represented the overtime review team. The hatchet man went to facilities and did not physically observe officers working, but just looked at paperwork generated by the administration. Then he would cut.

That would have been a good idea if you saved money. But the problem was you still had to fill the posts that he cut with overtime. Their were multiple court writs and med furloughs every day. Large numbers of officers to leave the prisons and go out on the road. So you filled those posts with large amounts of mandatory overtime. That's when disaster set in. Myself along with hundreds of officers were forced to work mandatory overtime and voluntary overtime. Officers were being mandated sometime four and five times a month. Employees could not go to work and know if they were going to go home at the end of their shift. They could refuse, but the department of corrections had a fail-safe mechanism. If officers refused, they would get discipline. The first

refusal was a one day suspension, the second a three day suspension, the third a five day suspension, and the fourth a seven day suspension, and then the next possible discharge. Every prison was running thirty shifts a day of overtime. So one could be discharged in a matters of months not years. The State and CMS refused to hire officers in at entry level wages. The officers hired in at entry level wages, would take them seven years to top out on their salaries. So the DOC would let officers who were already top out work thousands of hours of overtime to fill all the vacancies that the hatchet man had cut the head counts in all twenty seven facilities. So officers would work the overtime and make hundreds of thousands of dollars and through out the DOC state wide facilities millions of dollars—NO FAULT OF THEIR OWN!!!!!

What CMS,THE STATE AND DEPARTMENT OF CORRECTIONS was doing was immoral. Officers wanted to go home and see their families. Otherwise we had a gold mine. We just had to be like Elmer Fudd and "tell everyone shush be very quiet. Just keep our mouths shut. And watch the department throw buckets and buckets of money our way in overtime. Who needed to have a part-time job to supplement their salary.

The problem was officers did not want to get rich. They wanted to go home and be with their families. They didn't want to go through divorce. They wanted to see their kids grow up. They wanted to be responsible spouses and parents. Yet the overtime continued for all those who got mandated and the others who volunteered to keep other co-workers from being mandated.

When I hired in to the department of corrections in I988, I had no idea that I could make a half a million dollars in four years. I doubt if Warren Buffet was so lucky to have a gold mine nothing like the days of the Gold Rush. In 2008 I made 129,000.00 working some 2000 hours of overtime. Just off of my salary DOC could have hired three officers in at entry level salaries. I realized this was wrong, and something had to change. All twenty seven correctional facilities have suffered because of the state's lack of hiring officers. All community and towns have suffered by the lack of hiring officers. This could have been the opportunity for parents children to have good paying jobs and the communities revenue flourish in their communities. The state of Illinois and the taxpayers of Illinois have suffered to long. This madness needs to stop!

In 2009 two locals of AFSCME went to their City Council and asked the City Council to adopt a resolution. The resolution was sent to the House and Senate to respectfully hired officers in at entry level wages. Instead of paying out all this overtime. That message was not received with open arms. The resolution was sent out. Twenty Seven prisons saw no new officers. But what they did see was that the overtime review team, headed up by the hatchet man cut even more officers and clerical positons. Creating more overtime and spending the taxpayers dollars in the millions. That year I talked to the Governor and Senior Advisor to contact presidents of the locals to tell you how to save millions of dollars. Nothing happened. In fact that year I made 110,000.00. If my Mom was not sick in Indiana I would have made more.

Again in 2010 more officers retired and the state did not keep up with the net number. So that year I made 126,000.00. In all four years I have fought hard to get officers hired and maintain the net number of staff.

Ladies and Gentleman:

Your committee is receiving a prophetic word on help to fix our state. If you take a correctional officer's beginning salary of 37,000.00. And you understand it will take that officer some seven years to reach step 8. You would not need to have to pay out the enormous amounts of overtime. You would save millions and even billions of dollars over the course of the seven years. In seven years I grossed 650,000.00. 350,000.00 was overtime. You could have hired 10 correctional trainee officers for what you paid just one officer in six years in working 7200 hours of overtime. And the sad thing is I could have easily worked 3000 hours of overtime every year. If I wasn't so dam lazy and didn't want to go through DIVORCE.

That's 10 officers for IYC JOLIET. Ten officers for Tamm's. Ten officers for IYC Murphsboro. Ten officers for any correctional facility of the twenty seven across the state of Illinois. And first and foremost that's 10 correctional officer trainees here at DWIGHT. That's 10 good paying jobs for parents of children in this community and the surrounding townships.

What makes me so sure I am right? Because in the next seven years, 65-70 % of corrections is going to retire. You could hire officers in at entry level wages and maintain the net number of officers. You could save the state millions and even billions of dollars in overtime.

Ladies and Gentlemen, the answers are staring you in the face. You can fix this problem with the joint efforts of our AFSCME committee and your committee of senators and representatives and the department of labor

relations. This is doo-able this is not pie-in the sky. I urge you in closing be responsible to your boss the millions of citizens of Illinois that you represent and represent you. DO NOT CLOSE DWIGHT OR ANY OF THE OTHER PRISONS AND OTHER AGENCIES.

Part 2 of the Saga of throwing money away in the Department of Corrections and the OFFICE OF MANAGEMENT AND BUDGET.

The State refuses to hire employees when employees retire, quit, transfer or get discharged. Apparently there is a secret hiring freeze on. The state in turn, will post TA'S to fill the vacancies. Now for twenty seven correctional facilities this is hundreds upon hundreds of temporary assignment jobs for sixty days. Then there is no hiring so the hundreds of temporary assignments are extended. And this has gone on for sometimes four or five years.

The work may get done, but at what cost to the taxpayers of Illinois? Because we are short officers and clerical employees, there are not enough clerical employees to TA up to work the jobs. So what we do is TA correctional officers into those jobs. The correctional officer does not loose their salary as an officer. But where the officer is now absent, we fill his or her job with overtime.

Let me give you one clear example. An office associate starting out makes 34,000.00. By not filling the office associate for a year you now pay someone 84-88,000.00 in overtime to fill the shortage of the officer. You could have hired two office associates. Or you could have hired two correctional officers.

We need to get back to a balance budget. We need the help of this committee and our Afscme committee to petition the Governor to fix this money pit. It can't be left up to the OFFICE MANAGEMENT BUDGET anymore. This has to be seriously looked into and fixed.

The other problem is, when the OMB does finally give approval to post the vacancies and fill the vacancies. That's fine and takes the pressure off of workers and overtime cost. Another problem or scenario that occurs with the OMB. Let's say an employee who was promoted to fill the office associate positon, decides to transfer to another prison or another agency. You would think that you would re-post the vacancy. But that's not what shared services does. They now make the facility that has the vacancy resubmit the positon for funding to the Director and the OMB. In other words we re invent the wheel all over again. And then we have to TA to get the work done. And then we fill the job with an officer and then we pay out enormous amounts of overtime all over again. And the vicious cycle continues.

This is not a solution to the mushroom cloud hanging over our heads. We need to hire and keep hiring and maintain the net level of clerical jobs and officers and other jobs in all other agencies. We need to use the TA for what it was intended for temporary fix. The temporary assignment position should be the last resort in building a home. It should be the final details before someone can move into a house ready. Or it is the roof and shingles of the structure. It should never be the foundation blocks that support the structure of the house.

Glenn Davidson
nyiah@ameritech.net
City of Kankakee – Alderman

I am Kankakee Alderman Glenn Davidson. I am also Correctional Lieutenant Glenn Davidson. I am in a unique position to understand what Dwight offers to the community and the offenders.

Dwight and all DOC facilities give us public safety. Now the Governor wants to close 2 maximum security prisons, 6 ATCs, move 1,000 offenders out on early release and lay off 200 parole agents at the same time. Who's going to be watching the inmates? You and I, because we're going to be looking out the window of our houses as they try to break in. Public safety requires a strong corrections system and the Governor's plan tears it up.

Then there is the life of the communities around Dwight. I'm just one example of Dwight employees engaged in civic life. We have many others who serve as volunteer firefighters, hold up their churches, pay property taxes to support our schools. If Dwight closes it's not just the loss of jobs for the 76 Dwight employees who live in Kankakee/Bradley/Bourbonnais. It's the loss of 76 families who contribute in so many ways. And let me add that Dwight has the highest percentage of African Americans at any DOC facility except Stateville. African Americans have the highest unemployment rate, we don't need more.

I know legislators are being told not to worry about the closure, that DOC has other jobs they can offer us. Stateville and Pontiac are the only two facilities that are driveable from our area. I'm just not buying the idea there are enough vacancies in those two facilities to absorb the Dwight staff. If I'm right that means families moving away, houses boarded up, tax base gone.

I have worked at Dwight 22 and a half years, my whole career at DOC. The thought of moving Dwight and all it provides for offenders I just don't see. We're a maximum security facility. We have a great mental health program, and substance abuse program, and programs for the children of offenders. How can we just pick up and move Dwight two hours farther south? So many of our programs rely on volunteers. The volunteers won't move south.

So many offenders are from the Chicago area, which is why our visitation is one of the highest of all state prisons. We can offer the women an opportunity to see their children. If that gets harder due to the move it will be a problem for the offenders, but it will be devastating for the children.

Please reject this plan to close Dwight.

RESOLUTION NO. 2012 - 61

A RESOLUTION BY THE CITY OF KANKAKEE AND KANKAKEE COUNTY, ILLINOIS SUPPORTING THE CONTINUATION OF THE OPERATION OF THE DWIGHT CORRECTIONAL CENTER

WHEREAS, *Governor Quinn and the Illinois Department of Corrections have announced the closure of the Dwight Correctional Center in Dwight, Illinois; and*

WHEREAS, *the Dwight Correctional Center has been an integral part of the Illinois Correctional System for over eighty years; and*

WHEREAS, *the Illinois Correctional System is extremely over capacity, resulting in unsafe conditions, and the closure of Dwight Correctional Center does nothing to reduce this overcrowding; and*

WHEREAS, *the Dwight Correctional Center is an integral part of the City of Kankakee's, Kankakee County's and Central Illinois' economy by providing over seventy-six jobs in Kankakee County and twenty-seven jobs in the City of Kankakee, and the purchase of goods and services from numerous area businesses; and*

WHEREAS, *the closure of Dwight Correctional Center would have a significant impact on hundreds of employees and their families, relocation away from their home communities or loss of employment, creating a destructive effect on their families and their future; and*

WHEREAS, *the financial impact on area counties, municipalities, schools and other valuable institutions would be devastating; and*

THEREFORE, BE IT RESOLVED, by Mayor Nina Epstein and the City Council of the City of Kankakee, Illinois, that the City of Kankakee joins with other communities, governmental bodies and interested persons and organizations in urging all efforts be made to maintain operation of the Dwight Correctional Center, and that steps be taken to develop a long-term plan for all correctional facilities so that host communities and employees do not need to experience the uncertainty of future potential closures.

To Whom It May Concern:

I am writing this letter regarding my strong opposition of the closure of the Dwight Correctional Center. When and if this facility closes, the impact it will have on our small community will be monumental. I understand the amount of money that the state must spend on keeping this facility going, but there are so many other places and areas that I think the state should consider tapping into to save money. And if that is not possible, there are alternative solutions such as downsizing the amount of inmates the prison holds, or how much money they spend on extra programs for the inmates. Not only will people lose their jobs, but this closure would be extremely detrimental to Dwight's small businesses. Whether it is directly or indirectly, this will affect virtually everyone in this town. After closure, it is inevitable that businesses will slowly deteriorate as our town population decreases.

I will personally be affected directly since my mother works at the prison. I am a senior at Dwight Township High School and along with almost all of my classmates; I will be attending college next year. As everyone knows, college is far from cheap-for any household's salary. If my mom was to lose her job due to closure, paying tuition will become even more difficult. This is just one example of how it would affect someone of my age with a parent working at the correctional center.

I hope that my short response to this proposal will have even the slightest affect on the matter. I would like to thank you for taking the time and consideration to read this letter and would hope that you reconsider closing Dwight Correctional Center.

Brooke Sassenger

To Whom It May Concern:

I am writing this letter to show my opposition on the closure of the Women's Correctional Center in Dwight, Illinois. I am a high school student at Dwight Township High School, and I understand the affect the prison closure will have on our school and community. Closing the Correctional Center will lose many jobs in the Dwight area and will severely alter the success of the town.

Closing of the prison would have a major impact on my life as well as many others. My sisters fiancé works at the women's prison and has been a Correction Officer for the past 3 years. They are planning on getting married soon but if the prison closes, their plans may have to change due to the fact that he may need to relocate to find a new job. Closing the prison will affect many local businesses in Dwight. If the prison closes, the community will not get the success of small business growth in Dwight because all the workers at the prison will have to relocate to find new jobs, thus, these business will not flourish.

I ask that you reconsider your thoughts on closing the Women's Correctional Center. I appreciate the time you have taken to read my letter. For any more information, please contact Dwight Township High School.

To Whom It May Concern:

This letter is regarding the closure of Dwight Correctional Center. This facility brings a lot of revenue to our small town. Without this money, many of our businesses will begin to fail and eventually close. Quite a lot of families move from big cities to small towns like Dwight to raise a family. With DCC and other businesses closing in the area, families won't want to move to Dwight leaving this town a ghost town.

My mom currently works at the prison. One of the options she has come up with is transferring to a different prison over an hour away. She would have to live in that town and only be able to come home on the weekends. Thus meaning, my family would be separated.

In conclusion, Dwight Correctional Center would be a loss to our community if it were to close. The town would lose money and families might be separated due to this situation. Thank you for your time and consideration.

Sincerely,

Anna Emm

To Whom It May Concern:

I am writing this letter to show my opposition on the closure of the Dwight Correctional Center. I live in Dwight and know the impact that the prison has on our community. There are 300 plus employees there and many of them live in Dwight. Closing the prison would severely damage our communities' development. A lot of people would have to move away to find new jobs and a major part of our town is small business and these businesses would have no chance at staying open without the prison.

I know it would have a huge impact on my life. I plan on going away to college next year and already have a sister in college at the University of Illinois. I also have a little brother who would be starting high school in two years. My dad works at the prison and is the primary source of income for our family. Without him working there it would be extremely difficult for my family to afford all of this schooling.

I would ask that you reconsider your decision on closing the Dwight Correctional Center. I appreciate the time and consideration you have given me. If you have any questions you can contact me at Dwight Township High School.

To Whom It May Concern:

I would like to express my opposition to the announcement of the closure of the women's correctional center in Dwight, IL. I strongly believe that the closure of the women's prison would directly impact Dwight economics and play a big role in the overall success of this town.

As stated above, I feel that the town of Dwight would be affected if the women's correctional center closed. The women's prison employs about 60 people from Dwight. This does not sound like a lot of people, but if those 60 people were to be sent to other locations, Dwight's business would be greatly affected. Dwight is mainly based off small businesses and if those businesses were to close, our economics would be ruined. I do not have anyone in my immediate family who work at the correctional center but I have friends who would be affected if this closure were to take place. I think that Dwight's success as a town would begin to spiral out of control if the closure were to take place. I believe all of the small businesses would begin to go bankrupt, forcing the owners of said businesses to move elsewhere in search of jobs.

Thank you for your time and consideration regarding the closure of the women's correctional center in Dwight, IL. If you have any questions feel free to contact my school.

To Whom It May Concern:

I would like to express my discontent about the announcement of the closing of the Women's Correctional Center in Dwight IL. The closing of the prison would have a drastic impact on Dwight's economy in the upcoming future.

The prison brings traffic that helps the surrounding gas stations and restaurants keep their businesses going and thriving. If this was closed then that traffic would no longer exist making it tougher for local restaurants and other places of that nature to survive this tough economical situation. The prison employs 59 people from Dwight IL which is roughly 1% of our population, which is a rather large amount for a town that only has 4,300 hundred people to begin with. The 59 people that would no longer have a job will then have to look for jobs that are already hard to find. Having a parent and an Uncle that are business owners in Dwight IL, one being a newspaper and the other being a financial advisory institution, I know that having 1% more of the town be unemployed would bring more challenges in getting customers and bringing in revenue. The whole town would be greatly affected if this closure would take place.

Thank you for taking the time to read over this letter and further look into the Dwight correctional center closing. If you have any questions feel free to contact my school.

To Whom It May Concern:

I am writing this letter on behalf of my opposition of closing the Dwight Correctional Center. If the proposal goes through, the closure of the Correctional Center will highly impact our small town. The schools, small businesses, and our town's economy will all diminish if the Correctional Center is closed.

Personally I have no family members that work at the Correctional Center, but I have many friends who have family members that do. If the Correctional Center is closed, those friend's families will be forced to change their lives completely. The closure will also affect our schools. The schools of Dwight are already small and if the Correctional Center closes, enrollment at Dwight schools will dramatically decrease. My parents both work at the High School and if enrollment drops, the jobs at the schools could drop as well. Dwight's small businesses have many consumers that work at the Correctional Center. If closed, the small businesses will lose a lot of business that this small town depends on.

I would like to thank you for your time and consideration in reading this letter. Dwight is a small town that depends on the Correctional Center for a lot of our town's economics, and a closure would be devastating.

To Whom It May Concern:

This letter is concerning the closing of the Dwight Correctional Center. As a citizen of Dwight, I believe that the prison should be kept open. This great facility has brought so much to our small town. The closure of the Correctional Center would be taking away a lot from Dwight and would affect our small businesses by taking away customers that were once working at the DCC. Soon, our small town would even get smaller.

Also, the closing of the DCC would affect so many families here in Dwight. We are a small town and if one thing affects someone it affects basically everyone. My aunt currently works at the prison and if the closing of the Correctional Center occurs, then she would be without a job. This closing would affect my family, my friends' family, and other families that work at the Dwight Correctional Center.

By these concerns with closing the Dwight Correctional Center, I ask you to reconsider the idea of closing that prison. I appreciate your time and consideration.

To Whom It May Concern:

I am writing in regards to the Dwight correctional center closure. Because of the economic impact of the prison on the Dwight area, closure of it would not be the right decision. Closing of the correctional center can result in negative impacts on the community of Dwight and surrounding areas.

If the correctional center is closed, it will result in many lost jobs. Multiple people rely on the prison for a source of income. If people lose their jobs at the prison, money will not be circulated throughout the community and businesses will not be able to sustain the same amount of income as before. Dwight has been convenient for travelers because of its location. The location on Route 66 and multiple rest stops bring in a lot of money from people passing by. If the prison was closed, Dwight may not be able to continue to support some of these businesses travelers enjoy.

The impact of possibly closing the prison could hurt our community significantly. I urge you to strongly reconsider the closure of the Dwight correctional center. Thank you for your time.

To the Commission on Government Forecasting and Accountability:

What? Illinois prisons are overcrowded and understaffed, and Governor Quinn's solution is to close two prisons? This move defies logic, leaves Illinois citizens at risk, and devastates the economy of, not only the local community, but an entire area.

As a forty year Dwight resident, a school teacher, and president of the Dwight Historical Society, I know that the economy has forced Dwight's local government, organizations, schools, and tax payers to cut budgets, examine costs, and make do. The schools have riffed teachers and cut programs. We were all getting by until now when Gov. Quinn's plan to close the prison threatens to devastate the community.

While the State sees fit to bank roll big businesses to keep them in Illinois, isn't it a little hypocritical to eliminate the jobs of prison employees? It looks like a classic example of "robbing Peter to pay Paul"—a move that is both inhumane and false economy.

Please do your part to keep the Dwight prison open and find other more logical and less hurtful ways to strengthen the economy of the State of Illinois.

Dear Governor Quinn,

I am writing to you today to express my deep concern about your current proposal to close the Dwight Correctional Center. While I appreciate the need to fiscally responsible, I do not think this plan would save money, and I feel that it would devastate our community.

I am a teacher at Dwight Grade School. Our school is currently facing great financial hardship, largely due to funds still owed to us by the State of Illinois. We have had to cut excellent teachers and sacrifice programs to try to make up the deficit. We are doing what we can to make the best of a tough situation.

If the Dwight Correctional Center closes, many community members would lose their jobs. Jobs are scarce everywhere, and these people could have to move. A decrease in the population will result in a decrease in enrollment for the school. This will create further hardship for our already struggling school. A town with a weak employment outlook and a struggling school system is going to have trouble attracting new families and businesses. This "trickle-down effect" is far reaching and harmful in every way for the community of Dwight.

This proposal would not save money for the state. The facility in Dwight is well suited for the inmates that are there. Another facility will have to be remodeled to accommodate the increase in inmate population, and adapt to the potential difference in needs. It would be more effective to continue to utilize the physical resources that are already in place.

I urge you to reconsider your proposal to close the Dwight Correctional Center. A strong state needs to have strong communities. I know that you want the best for the State if Illinois. Please help the community of Dwight to stay strong! Thank you.

Sincerely,

Katherine Stewart

To Whom It May Concern:

As a resident of a nearby community and a teacher at Dwight Township High School, I am concerned about the possible closure of the Dwight Women's Correctional Center. Loss of employment in a community has widespread effects. No action stands alone. With less income in a community other businesses have less success or may even close. The school's enrollment may decline as families move elsewhere looking for employment. Lower enrollment means job cuts. This domino effect continues. In addition the state still has the expense of housing the residents of the correctional center elsewhere as well as the expense of transferring everyone.

I ask that you seriously consider keeping the facility at Dwight open.

Sincerely,

Marjorie Ehrhardt

Dear Governor Quinn,

My name is Kaitlyn Harms. I'm a fifth grade student at Dwight Grade School. I'm writing to inform the committee and yourself not to close the Dwight Women's Prison.

If you close the Dwight Women's Prison our school Dwight Grade School could close and our families would have to move and no one will buy your houses because Dwight will be a ghost town if you close the Dwight Prison. If you close the Dwight Women's Prison many, many, many, people will lose their jobs.

Governor Quinn, if you close the Dwight Women's Prison my school could close. If my school closes my family may move to somewhere else and then I would hardly see my friends as much as I have. If my school closes a lot of people will also lose their jobs.

Many people may lose their jobs if you chose to close the Dwight Prison. Not only people from Dwight will lose their jobs but people from different towns. There are many people that work at the Dwight Prison.

Please look at my side of the story. Won't you be scared that your school could close and, you won't see your best friends any more as much as you used to. I don't want to leave Dwight. I mean Dwight's and small town. But people really just know Dwight by the Dwight Women's Prison.

Respectfully Submitted,

Kaitlyn Harms

P.S Please do think about it!

Dear Governor Quinn,

My name is Dakota Wahl. I'm a fifth grade student in Dwight Grade School. I am writing to persuade you, and the committee into not closing the Dwight women's prison.

If you close the women's prison, it will cause a domino effect. For example, both my aunt and uncle work at the prison. But if the prison closes, then they will both loose their jobs. And if that happens they will both have to move, as well as my cousin.

That means I won't see them as much, and that's one less DGS student. You might think "who cares", but if that keeps happening sooner or later the school will close down and the few hundred people left will have to move. Next thing you know Dwight will be a ghost town. And just imagine never seeing your friends ever again!!! All I know is I can't even imagine that.

Also if you have the money to buy a million dollar railroad system, then you should have the money to keep the women's prison open.

So all I ask is that you consider this letter and please don't close the Dwight prison.

Respectfully submitted

Dear Governor Quinn,

My name is Steven moreno ,I'm a fifth grader at Dwight Grade School.I'm writing to persuade the committee and yourself not to close the dwight corretional center.

So many people that work at the prision.It will be like a domino effect,The jail will close. At least 500 to over 1000 people will have to go to a different town and go to a different school.

Think about the history like the country mansion,The prince of whales and, also Aberham Lincon.Even though I am a fifth grader I can still join the fight

All I am asking for you to do is think twice about closing the dwight prision.

RESPECTFULLY SUBMITTED,

Steven Moreno

Dear Governor Quinn,

My name is Amber Gajda and I am a fifth grader at Dwight Grade School. I'm wrighting to inform the committee and yourself to not to close the Dwight Womans Correctional Center.

My main reason is that our school will close and if our schools close all the families will not move here and all the families willmove away, no one will live here.

My second reason is that too many people will loose their jobs. All the buisnesses will shut down with lack of support.

Please don't shut down the correctional center we are spending enough money on the high speed train. Why do we need it?

Respectfully submitted,

Amber Gajda

Dear Governor Quinn

My name is Brianna London. Im a fifth grade student in Dwight grade school. Im writing to inform and persuade the committee.

My first reason why the dwight prison shouldn't close is people can lose their jobs and most of the people will move and then the school will move and the school will shut down. Plus nobody will live in Dwight.

Another reason why we shouldn't shut down the Dwight prison is that taxes will go up, and if they do go up people might have to keep working hard to get money for bills.

Please please please! Don't close the the prison,because some of us just made new friends and we don't want to lose them. We all need this school, and some of us want to see our friends. My moms boyfriend needs the job he has so he can have money for us to live in our home. We are all counting on you! Please don't let us down!

Respectfully submitted,

Brianna London

p.s please think about it?

Dear Governor Quinn,

My name is Cody Lee. I'm a fifth grader at Dwight grade school. I'm writing to you to remind you how much the prison means to us. With out the prison because Dwight will have no people to come to Dwight to visit our town to see there family like moms or sisters.

If you close to prison many of hundreds of people will lose there jobs. Businesses will close because people will not have to come throw town to give them biasness.

Our schools will close because there prance will lose there jobs and move away to another town. Our school will close most of the people that go to this school then my friends will move.

Please don't close the prison, Our town depends on it.

Respectfully submitted,

Cody Lee

Dear Governor Quinn,

My name is Peyton Byerley I'm a fifth grade student at Dwight Grade School.I'm writing to persuade the committee and youself not to close Dwight women's correctional center.

If the prison closes too many people will lose their jobs. In Dwight could close for lack of support for the businesses.

If the prison closes our schools could close because unemplayed prison workers will have to find a job. If there are no schools , families would not live in Dwight.

Closing the prison would make Dwight a ghost town.And if you close the prison the school would close and all the kids would have to move.

Respectfully submitted,

Peyton Byerley

Dear Governor Quinn,

My name is Alayna Irvin. I'm a fifth grade student at Dwight Grade School. I'm writing to persuade the committee and yourself not to close the Dwight Women's correctional center.

The first reason why you should not close the Dwight Prison is that too many people will loose their jobs and move away because they can't find any jobs.

The second reason is that taxes will go up and our schools could close because unemployed prison workers will have to move to find a job and if there are no school's families would not live in Dwight.

Please do not close the Dwight prison our town and other towns depend on those jobs.

Respectfully submitted,

Alayna Irvin

Dear Governor Quinn,

My name is Rylie Bond. I`m a fifth grade student at Dwight Grade School. I`m writing to inform the committe and yourself not to close the Dwight Women's Correctional Center.

Too many people will lose their jobs. If the people lose their jobs, they will move and then taxes will go up. If there is not a whole lot of people, then our schools could close.Because unemployed prison workers will have to move to find a job if are no school,familes would not live in Dwight.Then businesses would also close. Dwight could close for lack of support from the buinesses.

And not just our town. There are other people who won't live here. They work at the prison so not just people here, it will affect people from somewhere else. They work at the prison as well and they will have to find another job if they dont they would be hopeless.Think about how many job-less people there will be that will just make it worse.It`ll be like the depresion again in a way sort of but still we are all so desprate.

So I hope you don`t close the prison. Pretty much all my friends will go and move. We don`t want it to happen.Please do not close the Dwight prison. Our town and other towns depend on those jobs.

Respectfully Submitted,

Rylie Bond

Dear Governor Quinn,

My name is McKenzy Stacy. I'm a fifth grade student at Dwight Grade School. I'm writing to persuade the committee and yourself not to close Dwight Women's Correctional Center.

One reason not to shut down the prison is because way too many people will lose their jobs. If lots of people lose their jobs then when the people do lose their jobs the business that we do have in Dwight will lack and all of the people will move. Then all of us kids will have to move away. I will miss all of my friends and family dearly!!!

Also the second reason why you should NOT close down the prison is because all of the unemployed men and women that YOU will fire will have to go to different towns to find jobs. That means that would put all of those men and women's families leaving too. That I thing is a great reason why not to close the prison.

I wish that you could put yourself in all of our shoes because I thing you might change your mind. If you were in our shoes I am sure you would feel the same rage and anger that we do. Please rethink closing the prison. What about the new million dollar railroad? Why make that if you are just going to close the prison anyways. All of the people that will go on that railroad would give us more business!! So why close the prison? Please don't!! I don't want to leave my family and friends and have to go to a new school.

Respectfully submitted,

Mckenzy Stacy

Dear Governor Quinn,

My name is Xaivier Slaughter. I'm a fifth grader student at Dwight Grade School. I'm writing to inform the committee and yourself not to close Dwight Women's Correctionalcenter.

The first reason I don't think you should close it is too many people will loose their jobs and not be able to provide for their family. When they can't provide for their family, they will losse things that are important. So that is one reason you should not close the prison.

The last reason is that our schools could close because unemployed prison workers will have to move away and get a new job. If there are no schools, families would not live in Dwight and Dwight could become a ghost town.

Can you just think of these things for a minute and how much they could effect us. I won't you to step into our shoes. Well thank you for your time

Respectfully Submitted,

Xaivier Slaughter

Dear Governor Quinn,

My name is Kyle Kielma and I am a fifth grader at Dwight Grade School. I'm writing to persuade the committee and yourself not to close the Dwight Women's Correctional Center.

If you close the Prison, too many people will lose their jobs. When people lose their jobs, businesses in Dwight could close for lack of support.

Also if you close the Prison, our schools could close because unemployed Prison workers will have to move to find a job. If there are no schools in Dwight, families would not live in Dwight.

Dear Governor Quinn,

My name is gabby cassani i'm 11years old and i go to Dwight Elementery school and i am in fifth grade.I'm writing this letter to you to inform the committee and yourself not to close the Dwight Women's Correction Center.

Please...don't close the Dwight Correction Center because people who work there could lose their jobs and they won't get paid and then they won't be able to provide food for their families becuase they wouldn't have the money to.And if the prison closes down then our school could maybe colse down to.And we don't want that to happen because we have friends here and if our school closes down we won't have our best friends and, the town most of us have lived in most of our lives.

Some other reasons are because , taxes will go up and people are already struggling with money now , and if taxes go up who knows what will happen. People have to pay alot more money than they do now. A few of my family members work at the Dwight Womens Correctional Center, and i don't want them to lose they're jobs because they have a family to support too. I'm not writing this letter just for my family members but for all of the other men and women who will lose thier jobs , risk losing thier homes , moving away from their families ,and maybe even alot more.

I love Dwight Illionis and if you shut down the Dwight Prision like i said taxes will go up and when that happens the school probably won't be able to pay to keep it open , And if that happens we will have to move away from are friends and family and i love this town.I moved away for a couple years and then i told my mom that this isn't the right school for us we just don't fit in here we fit in alot better in dwight because that's were all of our friends areand that's were we are used to going to school at.And after that we realized that Dwight school was ment for us to go to.And we hope that we go to this school untill we graduate High School.And if you close dowm the Dwight Women's Prison that could all be over for us.

You guys are just waisting your money on alot of stuff that can wait.And you can use all that money on stuff that can't PLEASE! think about it while you can just know that people could lose their jobs and they would lose their house because all

the money they are used to makeing will be all gone.!

Respectfully BY:

Gabby Cassani:)

P.S.

just please take some of your

time and SAVE the Dwight

Woman's Correctional Center!!!!!:)

Dear Governor Quinn,

My name is Timothy Western. I am a student at Dwight Grade School. I am writing to inform the committee and why you shouldn't close the Women's Correctional Center.

The first reason you should not close the prison is because too their many people jobs. When too many people lose their jobs, a chain reaction starts. This chain reaction will close businesses because of lack of support for these businesses. Without the prison, taxes will go up and people will struggle.

The second reason you shouldn't close the prison is that our schools will shut down because the unemployed prison workers will have to move their families to find work. If there are no schools that means that no one will live here.

Please don't close the prison. Put yourself in our shoes and think about being a kid who may never see their friends again because the school shut down.

Respectfully submitted,

Timothy Western

PS. Other towns will be effected by this.

Dear Governor Quinn,

Hello, my name is Miranda Holte and I am a fifth grader at Dwight Grade School in Dwight, Illinois. I am writing to you because I think closing the Dwight Prison is a horrible idea. There are sereal reasons why this plan is a bad for my town.

My dad works at the prison and its hard for my family because we have to save money so if the prison does close we won't have enough money. We also might move to find a new job for my dad in another town. It's also hard because we have to be careful of what we buy. My family only buys products we need and use. We've also turned off the internet to save more money.

Also for the women in prison it is harder on them too, because family might drive a long distance just to see their mother, sister, or grandaughter. Moving them farther just makes it harder to see there loved ones. Also during travel one of the women might escape then all of them escape just because you closed the prison.

Thank you for your time, I appaciated it. Thank you.

Sincerely,

Miranda Holte

Dear Governor Quinn

My name is Blake Hill and I am a fifth grader at Dwight Grade School in Dwight Illinois. I am writing to you because I think closing the Dwight Prison is a bad idea. There are several reasons why this plan is bad for our town.

If you close down the prison I will have to move because my mom works there and if she loses her job we could end up losing our home. If it got closed people would not have the money to pay their bills.

If people have to move the schools would have fewer students then fewer teachers would work at Dwight schools. That would mean other types of business would close. If other businesses close Dwight Illinois, would become a ghost town.

I think closing the Dwight prison is a bad idea because people would be out of a job so they would no money. I hope you change your mind on closing the Dwight prison and let everyone keep their job. Thank you for reading my letter.

Sincerely
Blake Hill 6R

Dear Governor Quinn,

My name is Andrew Curl and I am a fifth grade student at Dwight Grade School in Dwight, Illinois. I am writing to you because I think closing the Dwight prison is a bad idea. There are several reasons why this plan is bad for our town.

If you close down our prison a lot of people in my school will have to move away because they will have no money to pay there bills, and will be forced to move away. Not just people in my school, but everywhere people will have to move away because they will have no way of making any money at all. Also if you close down our prison our town will lose teachers and money for our school, and we are already low on money and cut sports and a lot of people are not happy about cutting our school sports.

Another reason why you shouldn't close down our prison because businesses come to our town then those businesses will not want to come to our town for business. Do you see why closing down our prison is a bad idea. Thank you for reading my letter. Closing down our prison will get a lot of people depressed.

I know you will make the right choice.

Sincerely,

Andrew Curl

Dear Governor Quinn,

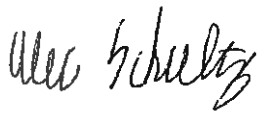
My name is Alec Schultz and I am from Dwight, Illinois. I think that closing our prison down is a really bad idea. I have many reasons why.

My first reason is that most of the people in the prison are from Chicago. That means that the kids have to visit once a week to see their mothers. If you close the prison and move the women south, it would be a longer drive to see them. This would mean more money for gas and people would leave Illinois. You wouldn't want that.

My next reason is because I have some friends that have parents who work at the prison so they won't have jobs. That would mean that they would have to move away and have less people at the school. The school is already suffering and short of money so that would jus make things worse.

That is why you shouldn't close the prison. Thank you for reading my letter.

Sincerely,



Alec Schultz

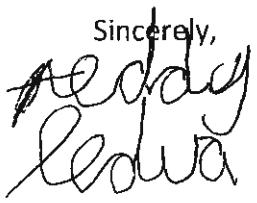
Dear Governor Quinn,

My name is Teddy Ledwa, and I am a fifth grader Dwight Grade School in Dwight, Illinois. I am writing to you because I think closing the Dwight Prison is a bad idea. There are several reasons why this plan is bad for our town.

The people that work there will have to lose theirs jobs as guards and the people that work at the desks. They wouldn't have and jobs they won't make money and it would be hard for them to pay their bills. Then they would be kicked out their houses and then they would have to move away. To a new place to live at and move to a new state or country to live.

Sincerely,



Teddy Ledwa

Dear Governor Quinn,

My name is Hunter Sulaica, and I am a fifth grader at Dwight Grade School in Dwight, Illinois. I am writing to you because I think closing the Dwight Prison is a poor choice. I think closing think there are several reasons why this idea is bad for our town.

One of my reasons is that a lot of people will lose their jobs and won't have money. If people lose jobs in Dwight because the prison closed down, then other people would have to move to find a new job somewhere else. Closing the prison would also affect our school because so many kids' parents work there and they would have to move too.

We are already having some issues at Dwight Grade School like teachers getting laid off and if you close the prison, we would have to cut more teachers out of our school. Even if you close something like the prison, you would make this place pretty much a ghost town.

If you cut the prison from our town, then I might never get to see my best friend ever again! So please, I know you probably had a best friend before too. Don't do that to Dwight please?!?!

Just please don't make the prison close because it's a big part of our community. Our friends would have to move away also!

Sincerely,

Hunter Sulaica

Dear Governor Quinn,

My name is Mackenzie Mantia, and I am a fifth grader at Dwight Grade School in Dwight, Illinois. I am writing to you because I think closing down the prison is a bad idea I think there are several reasons why this is a bad plan for are town.

This is a bad idea for are town because if the prison closed down our school would go down and people would move, teachers would get laid off. It would be a big impact on are tiny town. If people lose their jobs their will be no food or supplies that people need to survive. If the prison closed down Dwight won't be the same, it would be like a mini Great Depression.

So please don't close down the prison every thing will fall to pieces and nothing will fix it. You think it will save money but you don't know the way people see Dwight. You should see the signs that people put up just to save Dwight. Thank you for reading my letter!

Dear Governor Quinn,

My name is Colton Holm, I am a fifth grader at Dwight Grade School in Dwight Illinois. I am writing to you because I think closing the Dwight prison is a bad idea. I think there are several reasons why this plan is bad for our town.

The town if you close our prison down our economy will not be as strong. Our school will probably need to cut teachers and sports.

Fox center people aren't so smart there were are those people going to go. Fox Center is a big thing in Dwight.

People are going to have to move. That will be bad for Dwight.

People work at the prison. Think about them for a second. People will not have a job for a while. Families will be poor but not all of them though. There are not a lot of people in Dwight and Dwight is a small town but it will affect everything and everyone in Dwight.

This is a very bad thing to do. I love my town and thank you for reading my letter.

My name is Rhiannon Tucker and I am a fifth grade student at Dwight grade school in Dwight, Illinois. I am writing to you because I think closing the Dwight Prison is a bad idea. There are several reasons why this plan is bad for our town.

I have lots of reasons to not close the prison. If you close the prison moms don't get to see their kids. If the prison closes lost of moms and dads work there if they lose their jobs they can't pay their bills to the house

I have one more reason If you close the prison our community will not be as strong as it is now For a small town we still have a good community. If you close the prison our community will go down hill fast.

Thank you for reading my letter.

If you close down the Dwight Prison it is going to affect the Dwight Redbird School because the students in the school have parents that work at the prison and they will have to move to a new school and a new place to live.

Please do not close down the Dwight Prison for the safety of the children. Thank you for reading my letter.

Dear Governor Quinn,

My name is Natalie McCloskey, and I and a fifth grader at Dwight Elementary School in Dwight Illinois. I am writing to you because I believe closing the Dwight Prison is a bad idea. There are many reasons why I think this is not a good plan for the town.

First of all, there are not only people who work there in Dwight, but from all over the community. I am sure they are praying that you don't close their job. We would turn into a ghost town if everyone who lost their job has to move. I am pretty sure that yes, there may be a few people who want it closed, but most people don't. I have seen signs all over the community about saving it!

Also children at our school who have parents that work there would need to move. Our school is already having money problems, we don't need more. Already, the school had to cut the middle school part's sports. Our school is just barely getting by. The employers come up with everything they can to save some of the money. So please, help us out and don't close the prison.

A friend of mine, her parent works there and they might have to move along with the rest of the people who work at the prison. I don't think they are moving by choice either. The prison fires them, and then they have to find a new job and most likely move. That is how it works. Please, do not close the prison, the whole town is counting on you.

Don't close the prison for the town's sake. We are counting on you to not close it. Nobody wants that, at least not that I know. Thank you for reading my letter.

Sincerely,

Natalie McCloskey

Dear Governor Quinn,

My name is Dane Rodosky, and I am a fifth grader at Dwight Grade School in Dwight, Illinois. I am writing to you because I think closing the Dwight Prison is a poor choice. There are a few reasons why this is a bad idea for our town.

Three of my classmates parents work there and if they lose their jobs then they might have to move to another town. Some of my friends might move and then I won't have much to do when summer comes.

Our school could have to close down then I might have to go to Odell, Illinois for school. It is not easy moving to a different school especially in the middle of the school year.

My aunt used to work there but now she is retired and I know she would be sad if the Dwight Prison closes. She worked there for a long time.

Please do not shut down our prison we like our town the way it is now. Join the fight to save Dwight.

My name is Joey Scott, and i am a fifth-grade student at Dwight Grade School in Dwight, Illinois.I am writing to you because i think closing the Dwight prison is a bad idea. There are several reasons why this plan is bad for our town.

If you close down dwight prison families will have to move. This will effect our school, too. With less kids, the school will have less money. The school already cut junior-high sports. Teachers will lose there jobs.

If the prison closes not enough people will go to others businesses. Then they will close also. Even more people will lose their jobs. That will really hurt our economy. Lots of my friends will move away from Dwight. Thank you for reading this.

Dear Governor Quinn,

My name is, Payton Christoff, and I am a fifth grader at Dwight Grade School in Dwight, Illinois. I am writing to you because I think that closing the prison is a bad idea. There are several reasons why this idea is bad for our town.

One reason that closing the prison is a bad idea is that there is about three hundred people working there from Dwight and surrounding communities. If you close the prison then they will have to find a new job and move. Six of my friend's parents work there and if it closes then my mom will lose her job as a teacher because there won't be as many students.

Another reason is that my school has been struggling with money. They already cut sports for next year and if you close the prison it will be worse. We won't get to go to Washington D.C. in eighth grade or do any fun stuff. Plus, next year when everyone pays to go to school the school won't get as much money so we won't be able to do anything.

My last reason I think closing the prison is a bad idea is that the gas prices would go up because there would be less people. So once people lose their job and run out of gas in their cars then they wouldn't be able to do anything at all. They would just die of starvation or thirst.

That's why I think that you shouldn't close the Dwight Prison. Thank you for your time and reading this letter. I really hope that you have changed your mind.

Sincerely,

Payton Christoff

Dear Governor Quinn ,

My name is Gabby Mascolo , and I am a fifth grader at Dwight Grade School in Dwight , Illionis. I am writing to you because I think closing the Dwight prison is a bad idea. I think there are serval reasons why this plan is bad for our town .

With mothers or fathers losing their job familes might have to move to another town, then there will be less stidents in our school which means some teachers will lose their job. Some of our friends might move and never see them again .

It's a long ride for children to see their moms, so why are you making the woman go farther away? Then chilsren will most likely not see their moms as much anymore because it is too far away .

I'd hope after reading all of the letters you would change your mind . Thank you for for listening to my letter.

Dear Governor Quinn,

My name is Anna Sidler, and I am a fifth grade student at Dwight Grade School in Dwight Illinois. I am writing to you because I think closing the prison is a bad idea. There are several reasons why this plan is bad for the town.

One reason is the community. Kids might have a parent that works at the prison and that will be a big difference because kids will have to move because of the prison closing. Our school is already struggling with money so they cut off sports and if they have to cut more to save money then everyone will move and if everyone moves Dwight will be a ghost town.

Another reason is about other people. Most of the women there are from Chicago, Illinois. The women there have kids and in order to see their kids they have to drive an hour or two and if they move the women to a different prison it will take three or four hours. Come on, Dwight is a small town it has only a little amount of jobs for so many people.

Sincerely,

Anna Sidler

My name is Stormi Ham, and I am a fifth-grader at Dwight Grade School in Dwight, Illinois.I am writing to you because I think closing the Dwight Prison is a poor idea. There are several reasons why this plan is bad for our town.

If you close the Prison in Dwight a lot of people will have to move.If peope move other small businesses will have to close. Kids will have to move and when kids move Dwight Grade School will lose money.

Another reason why you souldn't close the Prison is people will have a hard time with money. No money means some people will lose there houses, cars, and everything, else.

If you close the Dwight Prison a lot of people will lose there jobs. If people lose the jobs they will have no money, so they will have to move.

Thank you for reading my letter! Please don't close the Dwight Prison!

Sincerely,

Dear Governor Quinn,

My name is Riley Connolly and I am a fifth- grader at Dwight Grade School in Dwight, Illinois. I am writing to you because I think closing the Dwight Women's Prison is a poor choice. There are several reasons why this plan is bad for our community.

When I first heard about the prison closing I thought our school would close because of tax money. Our school is already having a hard enough time and cutting over 20 teachers. Also in 6th grade we won't have sports because our school can't pay for them. If you close our prison our school would only have about 100 kids or it would close. This would be so devastating to our town. Just think about all of the teachers losing their job and have to try to find new ones. It would be even harder to find jobs in this economy. I hope you understand my point.

It would also be a disaster because my uncle works there as a guard so it would be a really rough time for him and all of the other people too. All of the people there would lose their jobs and that is over 365 people that will have to find a new job and possibly have to move. Would you like to be in the position they are in?

This town is very important to me and so are the people that live here. I would really like for our town to stay around, and I think if the prison closes it will become a ghost town. Our town has actually grown bye getting a truck stop, a traffic light, and much more so I don't want to make our town smaller because it has just gotten to be a bigger, better town. So please don't close the prison because I don't want our town to become a ghost town.

Another reason why the prison shouldn't close is because my friends have parents that work there and then if the prison closed they would have to move and I would be upset and disappointed. Both of her parents work there so if the both lost their job then they would have no income coming in and might not be able to pay for bills or other things they need.

I hope you make the right decision and keep the prison open. Thanks for taking the time to read my letter. SAVE THE PRISON!

Sincerely,

Riley Connolly

My name is Cal Schultz, and I am a fifth grader at Dwight Grade School in Dwight, Illinois. I am writing to you because I think it is a bad idea to close the Dwight Prison! There are several reasons why this plan is bad for our town. Some of these bad things are that a lot of people will lose there jobs, our school will lose even more money, I won't even be able to see some of my friends anymore because they will be moving away from Dwight.

People are losing their jobs left and right nowadays. If you close the prison then it won't help the cause to get any better. The people that are out working at the prison have kids, and some of these kids I know. Some of these kids have both parents working out at the prison. If you close the prison then they lose their whole income. I just want you to sit and think about that. How many people do you think you're going to make mad? (over 200) All I know is that if you close the prison you are going to get no votes from anybody in Dwight or towns around us. Also, these kids aren't the wealthiest people around. If you close the prison on them then you might put them on the streets. Now nobody wants that to happen do they?

Another reason why I am asking you to please not close the prison is because the school will lose even more money. We already aren't able to play sixth grade sports do to budget cuts. I really want to play sports because I am a good athlete. If the prison closes I might not have a chance at 7th grade sports. So please don't close the prison because it won't help our school at all. It will also make a lot of people and kids sad.

This last thing is that you won't be helping the prisoners either. If you move the prisoners to Lincoln then it will be a pain. The prisoners may be bad but they probably still love their kids. If their kids would like to come and see their mom then they will have to drive all the way to Lincoln. So if they went and saw their mom then it wouldn't be fun to drive all the way their. For one it would be a pain because the kids might get a little mad because they are driving that far and that they are asking "Are we there yet". A pain for the parent would be that they would have to pay more for gas. Since gas is going up it would be terrible to pay that much every time that you went to see your mom.

So if you close down our prison then you are making a big mistake. Nobody is going to like you if you make the big mistake of closing our prison. What I stated here are just a few of

the bad things that will happen if you close down our prison. Thanks for reading my letter to you.

Sincerely,

Cal Schultz

Dear Governor Quinn,

Hello. My name is Gretchen. I go to Dwight Grade School in Dwight, Illinois. I am in 5th grade. I am writing to you because I am concerned about you thinking of closing down the Dwight Correctional Center.

I think that you should not close the Correctional Center. It provides Dwight with many jobs. If it does close many people will lose their jobs, which leads to unemployment. Unemployment is a problem right now. People who work at the prison might live in Dwight, and might have to move to find another job. Plus, it would be hard to move when there is no work near the house that is trying to be sold. There are not many women's prisons in Illinois, so there would have to be more room in the other prisons to fit the Dwight inmates. Closing the prison will not only affect people's jobs at the prison, but it will harm other jobs in the town as well. If everyone moves away, our town will fall apart. You have to help for my education, right? Well, if I move and the school closes down, you will have to spend more of your money on getting me transportation to another school. The closest schools are either Odell or South Wilmington/Gardner. It is a lot of money to pay for a bus. With all of the high gas prices, it is even more expensive.

Another reason is the inmates. There is a dog training program there, and that makes the women happy. Their families might have to move again, closer to the new jail and that is hard. The dog program would disappear like a ghost. Lots of feelings would be hurt and souls being disappointed. When the women help train the dogs, they share their love with the dogs because they have no one else to express themselves to. If Dwight Correctional center does close,

there will only be a few women's jails left in the state of Illinois. It would be hard for the inmates because they lived there and probably had a relationship with a guard, etc.

Truly, I believe that the Dwight Correctional Center should not be closed for many reasons, including safety of jobs.

Sincerely,

Gretchen

Dear Governor Quinn

My name is Sofie, I go to Dwight Grade School, and I am in fifth grade. I live in Dwight, Illinois. I really do not think you should close the women's prison for many reasons.

First, if you close the prison many people will lose their jobs, and if they lose their jobs many people in Dwight might have to move away. With not a lot of people in town they might have to close our school. Then, if the school closes my friends and I will have to go to different schools. Some of the students' families and them could move, but others might stay, and it would cost a lot of money for the buses to come pick up kids and have to drive students back and forth every day. i do not think anyone likes to be on the bus really long every day. Closing the prison would not only effect other peoples jobs, but other jobs in our town. Without a lot of people in our town there would not be a lot of business, and the businesses might have to close down also. Soon, without anyone in our town, Dwight will practically be a ghost town, because it fell apart.

Also, if you close the prison it will effect many of the inmates and make them unhappy too. Lots of the women's families have moved from their home town to Dwight, just so they could be closer to the prison and be able to visit frequently. And if you close down the prison and send the women to a new prison somewhere in Illinois, their families

are going to have to move away from Dwight. Plus, many of the inmates have taken care of people's dogs during the day by washing and cleaning them, teaching them to obey, and giving them treats. Some inmates really enjoy spending time with the dogs. It reminds them of their children and spending time with there children. The inmates would really miss the dogs, and would hate to not have that privilege anymore to take care of the dogs.

In conclusion, please do not close the women's prison or a lot of these bad things could happen. One thing would lead to the other and soon our town would be gone. No one wants the prison to close, including us! We want to stay a school and a town too. It would be a big favor to a lot of people if you did not shut down the prison.

Sincerely,

Sofie

DEAR, GOVERNOR QUINN

HELLO MY NAME IS LOGAN, I AM A FIFTH GRAD STUDENT FROM DWIGHT ILLINOIS. IT WILL BE A BAD IDEA IF YOU CLOSE THE PRISON BECAUSE THEN MY SCHOOL WILL CLOSE.

PLEASE DON'T CLOSE THE PRISON. IF YOU DO ALL MY FRIENDS WILL MOVE AND I WILL NOT SEE THEM AGAIN. IF YOU CLOSE IT THE PEOPLE THAT WORK THEIR WILL HAVE TO FIND ANOTHER JOB OR MOVE. A LOT OF PEOPLE WILL LOSE THEIR JOBS. IF THERE ARE NO JOBS IT WILL BE HARD TO SELL OUR HOUSES. IF WE CAN'T SELL OUR HOUSES WE WILL HAVE TO SPEND A LOT OF TIME ON THE BUS. AND THE TAXES WILL CHANGE

IF YOU CLOSE THE PRISON IT WILL HARD FOR THE PRISONERS BECAUSE THEIR FAMILIES WILL HAVE TO MOVE TO SEE THEIR FAMILY MEMBER IN JAIL. IT WILL TAKE AWAY THE CHANCE TO WORK WITH THE DOGS AND TRAIN THEM. THE PRISONERS WILL PROBABLY MISS SOME OF THE GUARDS BECAUSE THEY BONDED WITH THEM. IF SOMEONE MISSED THEIR FAMILY AND NO ONE TO SHARE THEIR LOVE WITH THEY CAN SHARE THEIR LOVE WITH THE DOGS. IF THE PRISON CLOSES THE PRISONERS WILL NOT BE ABLE TO DO THAT.

SO PLEASE DON'T CLOSE THE PRISON THINK ABOUT ALL THE PEOPLE IT WILL EFFECT. IT WILL BE THE GREAT DEPRESSION ALL OVER AGAIN IN DWIGHT . PLEASE!!!!!!!!!

SINCERELY,

LOGAN

Dear Governor Quinn,

Hello I am DaKota and I am a fifth grade student at Dwight Grade School. I heard you are thinking about closing the Dwight Women Prison. I have some reasons for you not close the prison.

One reason for my concern many people will lose their jobs. Another reason is that people that work at the prison live in Dwight and might have to move away. Also my school might close down. And I would have to spend a lot of time on the bus.

It is not just the guards that won't be happy, but the prisoners won't be happy. They will not be able to see there family. Our prison washes dogs and some prisoners will give the dog love and care. And once a prisoner gets out she could get a good job.

I would keep the prison open but it's not my choice. I'm asking please don't close the prison. Just please keep the prison open. I hope you choose to keep open and never close it.

Sincerely, DaKota

Dear Governor Quinn,

I am a 5th grader at Dwight Grade School. My name is Elijah. I am writing because I am concerned about you closing the Dwight prison. M parents and I know some people that work there.

I have some reasons why you should not close the Dwight prison. One reason is many people will lose their jobs including the people that work here at this school. With all of the people losing their jobs everyone will have to move away. Because of that my school will have to close. Another reason is that my friends and I will most likely have to move away or spend a lot of time on a bus. Our town will completely fall apart and become a ghost town. Also all the people who move away will make it hard to sell each house. My dad told me that there would only be two other prisons that hold women in the state of Illinois. He also told me that a chain of businesses will have to close if the prison closes

The inmates at the prison train dogs. If the prison closes, the inmates, if they don't get moved to another prison, they won't be able to love something until they get out and the inmates who do move to another prison. Their families might not have enough money to move near the new prison.

My classmates and I are very concerned about you closing the Dwight prison and the ones who live in Dwight or where they're too far to go to a different school will move. Please do not shut down the Dwight prison.

Sincerely,

Elijah

Dear Governor Quinn,

My name is J.C. and I go to Dwight Grade School. I am fifth grade student and am concerned about the Dwight Women's Prison. I have heard you have suggested closing it. I know someone that works there and she is a guard and might have to move if the prison closes. These are some reasons why you should not close the prison.

Some reasons why you shouldn't close the Dwight Women's Prison are. One reason is because many people will lose their job and. Also people that work there and live in Dwight might have to move. If my school closes and my friends and I might have to move if so. If that happens and we don't move, you as Governor will have to provide transportation for us and that means we have to ride the bus for a long time. Other jobs will close as well because of the prison closing, and if that happens, our town will become a ghost town. Those are some reasons why you shouldn't close the prison.

Also if you close the Dwight Women's Prison families will have to move somewhere else and in this economy it's hard to sell a house, they will move because they want to visit their family. Inmates will be sad and miss their family dearly. Some inmates have good relationships with the guards and trust them to talk to so if they move they will have no one to talk to. This is another reason why you shouldn't close the Dwight Prison.

So please don't shut the prison because of these reasons. One the people that live in Dwight and work there will have to move. Our school will close down and if so you must provide transportation. The inmates will be dearly sad and they will miss there families and miss having someone to talk to. So please do not close the Dwight Women's Prison because of all the reasons I have listed in the other paragraphs.

Sincerely,

J.C. ☹

Dear Governor Guinn,

I am Emma and I go to Dwight Grade school, and I'm in 5th grade. I have heard that the prison in Dwight Illinois might close and that is a very bad thing.

I don't want to prison to shut down because many people will lose their jobs, people who work at the Dwight Prison would have to move away to find a different job. Closing the prison would not only effect jobs at the prison but other jobs in town as well. My school also might shut down and if that happens I would have to move away and if I don't move I would have to go on a 1 hr bus trip or even more. It would be hard to sell your house because there would be less work here and know one would want to move here. This town would fall apart and I know that know one wants that.

In the Dwight Prison the re are some nice people. Those people train other people dogs. My teacher told me when she went to go meet the trainer that trained her dog that that lady to her that she loves and misses her kids and that she is so glad to share her love with the dogs.

That is why you shouldn't shut down the Dwight Prison. I don't want this town to go into pieces. Don't let it fall apart.

Sincerely,

Emma

Dear Governor Quinn,

My name is Cassie. I'm a student at Dwight Grade School in Dwight, Illinois, I'm in 5th grade. I'm concerned about why you want to close the Dwight woman's prison.

You should not close the prison in Dwight because many people could lose there jobs and they might have to move from there friends or there kids friends. If people lose there jobs then my school might close down and would have to leave my friends and I would have to be on the bus for a lot of time. If the school closes then lots of people will move and this town will fall apart and no one will have a school and friends might have to be far away from each other.

If you close the prison that will be bad for the inmates because then people can't get there dog trained and washed. The inmates will also have to move farther from there family's that visit them. Then I can not take my dog to the prison anymore.

That's my reasons why you should not close the prison. Lots of kids and family's will not be happy. There will be lots of people gone then so please don't close the prison.

Sincerely,

Cassie

Dear Governor Quinn,

My name is Melissa and I am a student at Dwight Grade School in Illinois and I heard you have a plan to shut down our prison.

There are many reasons why you should not shut down our prison and I am going to tell you some of them. If you shut down our prison many people will lose there jobs. The people that work at the prison and live in Dwight might have to move to a different town. Most of all, our school might shut down and it is your job to provide kids with good education, that is just making your job harder. My mom works at Dwight Grade School and if our school shuts down we will lose all of our money and move away. I do not want to move, I like my house.

At the prison you can take your dog there to have it trained. It helps inmates that might have children. It makes them happy to love a dog because they can not see there children. If you shut down our prison the inmates will have to move away from there family because don't you think there family would move closer to the jail to see her more often. By you closing the prison and the inmates moving, your taking them away from there family. I bet you would not want your family taken away from you, so don't do it to them.

It is a bad idea to close the prison and that is a fact not an opinion. So use your brain and save the Dwight prison.

Sincerely a person that wants to save the Prison,

Melissa

Dear Governor Quinn,

My name is Jordan Emmons I go to Dwight Grade School in Dwight, Illinois.

You may want to close the prison but if you do my school may close down and my friends and I would have to go to a different school.

The people that work at the prison would lose their jobs witch means more money from the state will go to unemployment. The people that work at the prison and live in Dwight may have to move to find a job and Dwight may become a ghost town.

The inmates at the prison would be sad because they may have a friendship with one of the guards and they wouldn't be able to teach dogs to be obedient.

I don't think you will want to close the prison now if you do these things will happen.

Sincerely,

Jordan Emmons

Dear Governor Quinn,

My name is Carli. I go to Dwight Grade School in Dwight, Illinois and I am in 5th grade.

I do not want the Dwight Women's Prison to close down because many people will lose their jobs. People that work at the prison live in Dwight and might have to move away, but it is hard to sell your house in a town with no jobs, so I would have to spend a lot of time on a bus. Then our town would fall apart because everyone would move away.

The prisoners in the prison will miss their family and children. The prisoners will miss some of the guards too. The dog program is when the prisoners get to train the dogs and get to share their love with the dogs, they will miss that too. They sometimes have to be nice to something.

Please do not close the prison down, I would have to move away and not be able to see my friends again.

Sincerely, Carli

Dear Governor Quinn,

My name is Chloe. I am a 5th grade student at Dwight Grade School in Dwight Illinois. I know a lot of people that work at the prison. My aunt Chas, aunt Molly, and my brothers boy scout leader work there too.

If the prison closes many people will lose their job. Then people that work at the prison that life in Dwight might move away. There are 60 kids that go to our school that has mom or dad that work at the prison. If it closes about 360 people will lose there job. If that happens then my school my close. If the school closes then my dad and my friend Mel's mom and my teacher will lose their job. Then I would have to go to a different school. I would have to spend a lot of time on the bus. No one likes the bus.

The people that are in prison make friends with the people that help them. It is hard for them to go to a different prison. They do dog training out at the prison it is a lot to the prisoner. It is like there family because they can not see there family.

Pleases do not close the prison it will hurt the town a lot. I do not like to hear about jobless people. Especially when it is family. Please do not close the prison.

Sincerely,

Chloe

Dear Governor Quinn,

I am Zoie, I go to Dwight Grade School Illinois and I'm in the fifth grade. I am writing because I am concerned about you closing the Dwight Women's Prison.

I do not think you should close the prison because if you do many people will lose their job and my school might shut down so my friends and I might be separated into a different school. If I went to a different school that means I would spend a lot of time on a bus and we would have to move houses and houses are hard to get, and if everyone has to move for us to get a good education our town will fall apart!

You also should not close the prison because the inmates in the jail. If you close it down they will have to go somewhere else and leave their family that probably moved here to visit them. Another reason you should not shut down the prison is because the inmates. The inmates do a dog program so if you close the prison they will have to leave those dogs and stop the program. I think that would be awful because those are the only things they have left to show love to since they do not get to see their family very much because their in jail.

I really like it here in Dwight and our school so I hope our prison does not shut down because I would hate to see our town fall apart, and I would really feel bad for the inmates to have to leave the things and people they love, so please do not close the Dwight Prison.

Sincerely, Zoie

Thursday March 15, 2012

Dear Governor Quinn,

How are you? How is being Governor? My name is Anthony, I am in 5th grade. Why are you closing the Dwight Women's Prison? If you close it, Dwight will be almost a ghost town. So please don't close the prison. If you do, there will be more robberies In Dwight and there will probably be a great depression in Dwight. Many people will lose there jobs, my school might close, my friends and I also move to a new school and our town will fall a part. I might have to live in a box or with a friend or line under a bridge.

Sincerely,

Anthony

Thursday, March 15, 2012

Dear Governor Quinn,

My name is Kirk and I go to Dwight Grade School. I am in fifth grade.

I am writing because I am concerned of your choice to close the Dwight prison. Many people will lose their job including my aunt. People that work at the prison and live in Dwight may have to move. My school might close and if my school closes me and my friends will have to spend a lot of time on the bus. Closing the prison will not only effect the people that work other places. And in this economy it is very hard to sell your house. Especially in a town with know jobs available our town will fall apart. The prison is the one thing that holds everything together.

Also if you choose to close the prison down the inmates will no linger have a chance to work on their working skills. And if they don't working their working skills when they get out of prison they most likely wont get a good job. I think the inmates work hard to show they can do a lot of things but if you close the prison they won't be able to do all of those things by them selves.

Those are the many reasons I think you should not close the Dwight prison down.

Sincerely,

Kirk Pfeifer

Save the Prison...Save Dwight

These are Some reasons why I want to save Dwight prison. The first reason is that the town of Dwight will not have alot of people to go to school and the School will shut down. Then I will not live my dream to graduate from highschool. The second reason is that my family and I will have to move to a different town. I would not want leave my friends and teacher. Third reason is that people will lose their jobs. If people lose their jobs they will become poor. Thats why I want to Save Dwight prison!

Save the Prison...Save Dwight

These are some of the reasons I don't want the prison to close down. The first reason is that I want to stay at this school until I graduate. If I didn't stay at this school I wouldn't be with my friends. Then my mom would lose her job. If she did lose here job she couldn't pay the bills. I want to keep on living here. I couldn't let my friends over if I wasn't living here. Those are some of the reasons why I don't want the prison to close down.

Save the Prison...Save Dwight

The Dwight prison is very important to me and everybody I know so here are some reasons why I want to save the prison. My first reason is my uncle is a cop and he poobably has some friends that he visits a lot. And if the Dwight prison shuts down he might even more to go see his friends, and I love my uncle and cousins a lot. Another reason is if that prison shuts down the school might get smaller. And my biggest dream ever is to graduate as the class of 2022. Here in this very school and nowhere else because here is like home. My last reason is if you shut the poison down the town will get smaller and you'll lose more money and people will leave this town. If this town gets smaller it will soon be history. And those are some reasons why we should stick up for our selves and save the prison!

If you closed down the prison it would affect are whole town. The prisoners visitors would not come through to get gas and food to eat. The next place it would affect is the school. It would get closed down too because the kids would all have to move away because the mom or dad might need a job because they lost their other job at the prison. Save the Prison...Save Dwight

Why I want to save the prison is because of my class. Why it is because at school I have freind's but when I go home none of my freind's live by me and I cant go visit them and if theres no freind's at school I won't have any freind's. Second is about The school. The reason in that is if kid's mom or dad's work there they will have to move and there won't be alot of people in the school. Third is if you live with one of your family members and when you have to move you will miss them. Why I say that is because when I lived in plainfield →

Save the Prison...Save Dwight!!!

Closeing the prison affects all of Dwight. If you close the prison money will be tight. If money is tight people will have to move to a nother town. Another reason why you shood knot close the prison is that some kids might miss there friends. If they miss there friends they will be sad. The last reason you shood knot close the prison is that some people might have relitives in the prison and might knot know were the knew prison is. If they were the knew prison is they will knot get to see them agen. And thats why you shood knot slose the prison. By Donnie Fialko

Save the Prison...Save Dwight

these are my three reasons why I want to save the Dwight prison. My first reason is that the Dwight prison gives Dwight a lot more money then it would without the Dwight prison. My second reason is that I mite not know any body that works in the prison but I do know people in Dwight and a lot of people will have to move without the prison. My last reason is that Dwight gives me alot friends that you can't find in any other town. And that's why I want to save the prison.

By Caden Schroeder

Save the Prison...Save Dwight

If the prison shuts down it would be horrible. Because the people who worked there wouldn't work there any more. Plus, if the jail shuts down, the school will have not a lot of children. Because the people who worked at the prison might move where the prison moved. And if the prison shuts down, the bad people will get transferred to a different town. It would cost a lot of money to transfer the inmates to a different town. It would be horrible to shut down the Prison!

Save the Prison...Save Dwight

Hera are some reosson to save the prison. Businesses will shutdown. The Dollarstore and casey's will shutdown. And some of my best frineds might move away. Dwight will get small and None of my best friends will live here. My friends won't let me come over. plase save the prison.

Save the Prison...Save Dwight

We need to save the prison. We need the prison so we can make money frome visitors and so the Populaton does not go down We need it. the prison has some jobs for family and freads. So thats why We need the prison

These are some reasons why we should save Dwight prison. One of the reasons why we should save Dwight prison is because I wont have friends and other people wont have friends and I already live in the trailer park which there is not alot of kids. My mom works where she delivers papers and If there is no people on her route I will have to move. Then if I move then I will not have any friends there. These are some reasons why we should save Dwight prison.

Save the Prison...Save Dwight

Why closing the prison affects us

Why closing the prison affects us. How closing the prison affects us is by transferring farmalys and friends. Another way closing the prison affects us is by takeing friends away maby they want to live here in dwight. Another reason why stuting down the prison affects us is that people prabely want to graduate in dwight. And one more reason why stuting the prison down will affect us is that some people don't want to move.

WRITTEN COMMENTS:

As an employee of R R Donnelleys in Dwight, I know that my job and livelyhood is coming to a close. The Closing of the Dwight Prison not only affects the people of Dwight, it affects the surrounding towns. It also affects the State of Illinois, by placing these people at other prisons for employment, many people will be put out of work. Imagine a town where 1000 of its inhabitants are on unemployment, link card, and possibly medical cards. Just 1000 people receiving the average amount of money for unemployment and link card, for just one year. Now the total is between $24,000,000 and $25,000,000. Then figure the loss of tax revenue for that same

over

year and following years as people default on home loans, and then move out of state in order to find employment. Now, please realize that this is the devastation that the town of Dwight faces.

WRITTEN COMMENTS:

I have volunteered at the Dwight Correctional Center for 7 years in various fields. The Correctional center is not important to the town of Dwight and this area, but it is crucial to keep the offenders (mothers) close to their families in this area. Many drive or take public transportation from the Chicago area. Keeping children close to their mothers is an important connection. Separating them will only magnify the problems in their families.

WRITTEN COMMENTS:

I have been employed at Dwight Correctional Center for 12 years. During my tenure, I have seen alot of growth in the number of visits that the offenders receive. Alot of them, as you know, are from Cook County and they have expressed the hardship that it would cause to their families due to the extended travel time. Some of the families have relocated just to be closer to the prison so they could mentally + emotionally support their loved one.

My employment at Dwight CC was a God send- so much that I encouraged my children to apply. At the moment, I have a son, a stepson and his brother

(continued on back)

employed at USP. My husband is also employed at Dwight.

I pray that the prison closure is reconsidered. There are other avenues to pursue to repair our economy. Laying off employees will only add to the already bad economy. I sincerely believe that the prison closures, coupled with parole lay offs, will be detrimental to our Society.

Sincerely,

Lt Kelly Saunders

WRITTEN COMMENTS:

Illinois needs to cease the practice of randomly choosing State facilities for closure and to stop trying to balance the budget on the backs of hard working dedicated, state employees. Putting people out of work is NO WAY to help an extremely dire economic crisis.

WRITTEN COMMENTS:

Savings to state - untrue
additional expense for transportation of writs etc
of extremely underestimated
Deposition of land? Who owns land? would
be responsible for maintenance after?
# of lost jobs - revenue? Dwight will lose
it's school, real estate values plummet!
town will become a shadow of what it
is now.
The state of Illinois is trying to increase
jobs? How many will really be eliminated
esp. after trickle-down effects.
Keep Dwight C.C. open!

WRITTEN COMMENTS:

The closure of Dwight Correctional Center would have a huge negative impact on the Dwight and Livingston County economy. We have overcrowded prisons currently, so what sense does it make to close a facility. Gov. Quinn gave big tax breaks to some big Chicago businesses/companies, so now do we pay the price for that?

Please do not close DCC - it would have a very negative effect on our already stressed economy. Please do not allow Gov Quinn to give any more tax breaks to large companies - please think of the working class + terrible waste of DCC facilities + buildings.

I retired from DCC in Sept after 20½ years. From my experience moving female inmates from their home away from home" would be an enormous mistake. It would not save any money in the long run and would make a hardship on everyone. It just doesn't make any sense at all!

as I listened to the information I was moved with the thought that The Dwight C. C. is located centrally making it easier for other facilities and family and friends to visit from many different locations although our prices have gone up the hours of travel is important, also rehabilitation is important, and to help rehabilitate prisoners they need the love from family + friends. They need to see their loved ones for it gives them hope and makes them want to do better for it gives Thank you Delores Hatfield

WRITTEN COMMENTS:

ILLINOIS COMMISSION ON GOVERNMENT FORECASTING & ACCOUNTABILITY

Co-Chair Senator Jeffrey M. Schoenberg - Co-Chair Representative Patricia R. Bellock

RECORD OF COMMISSION WITNESS

4/4/12

SUBJECT MATTER: **Closure of Dwight Correctional Center**

IDENTIFICATION:

Name: Lisa Armagast

Title: Corr. Clerk 3

Firm / Business or Agency: DOC - Pontiac Correctional Center

Address: 505 S. Redbud Ln. City: Flanagan State: IL Zip: 61740

Email: lisarmagast@hotmail.com

POSITION: ☐ Proponent ☒ Opponent ☐ No Position

TESTIMONY: ☐ Oral ☐ Written Statement Filed ☒ Record of Appearance Only

WRITTEN COMMENTS:

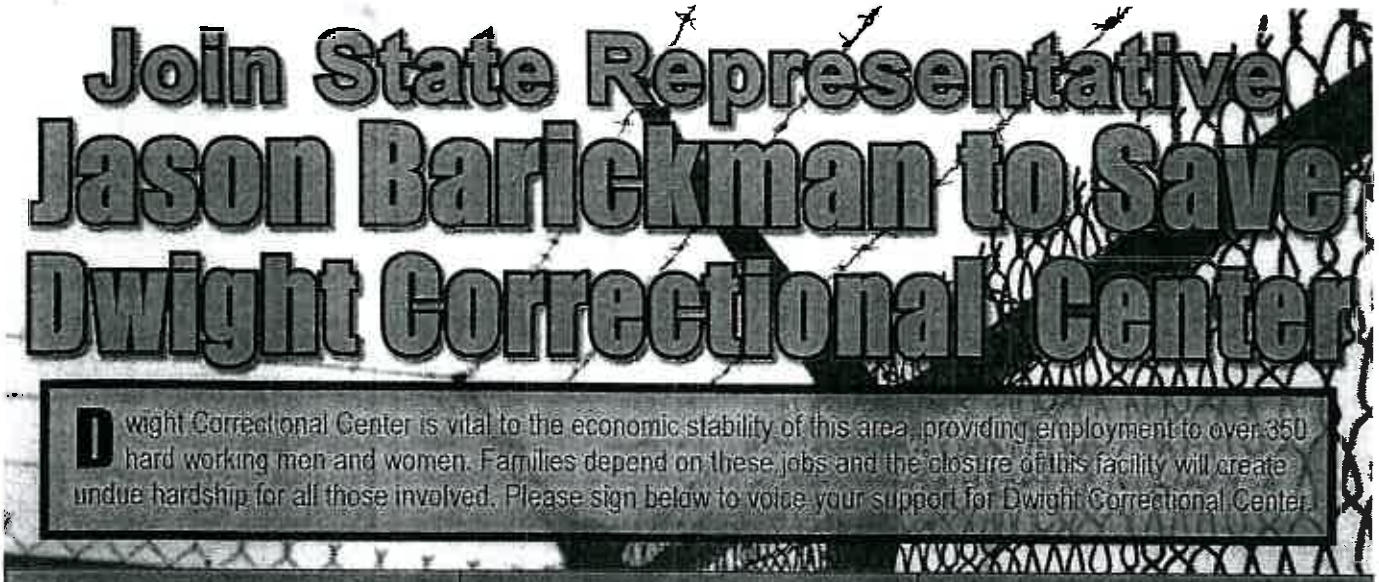
① DOC can't afford to give up any beds.

② Check the amount of money poured into Dwight in recent years in upgrades, maintenance and new building – i.e. Health Care Unit and Receiving Center.

③ This will have a devastating effect on Dwight and Livingston County. I personally went through a similar threat at Pontiac in 2008. There are no words strong enough to describe the traumatic effect employees, spouses, and children suffer. We, at Pontiac, are still struggling to recover.

④ The majority of inmates come from Cook Co. The IDOC wants to provide programming conducive to reintegrating female offenders back to their families and community. How is that facilitating that purpose by moving them at least two hours further away?

Join State Representative Jason Barickman to Save Dwight Correctional Center



Dwight Correctional Center is vital to the economic stability of this area, providing employment to over 350 hard working men and women. Families depend on these jobs and the closure of this facility will create undue hardship for all those involved. Please sign below to voice your support for Dwight Correctional Center.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

120 Names

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

...S IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT ...TIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOI[illegible]US IN OPPOSING THE ANNOUNCED C[illegible]OSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY.

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF DWIGHT CORRECTIONAL CENTER, A SECURE ADULT FEMALE MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Dwight Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.
