May 15, 2009

SPONSOR (S): Sullivan (Pritchard - Tracy)

SYSTEM(S): State Employees' Retirement System

FISCAL IMPACT: The fiscal impact of SB 0214, as amended by HA 1, cannot be determined as the number of employees who may wish to purchase optional service credit for contractual service is unknown. The bill requires the employee to pay the employer's normal cost and the employee contribution, plus interest at the actuarially assumed rate (8.5%), from the date of service to the date of payment. Therefore, the cost should be minimal.

SUBJECT MATTER: SB 0214, as amended by HA 1, amends the State Employee Article of the Illinois Pension Code to allow the purchase of service credit by any employee who rendered full-time contractual services for an Illinois Veterans' Home operated by the Department of Veterans' Affairs.

COMMENTS: Currently, the Illinois Pension Code lists specific periods of service for which a member may purchase optional service credit. SB 0214, as amended by HA 1, adds service as a contractor for an Illinois Veterans' Home to this approved list. In addition, SB 0214, as amended by HA 1, states that allowing employees to establish service credit for this type of service constitutes a new benefit increase and this increase shall be funded by the required additional employee and employer contributions. The applicant must apply to purchase this additional service credit no later than 6 months after the effective date of the amendatory Act.
