FISCAL IMPACT: The fiscal impact of SB 2558, as amended by Senate Amendment #001, cannot be determined as the number of employees who may wish to purchase optional service credit for contractual service is unknown. The bill requires the employee to pay the employer's normal cost and the employee contribution, plus interest on both, from the date of service to the date of payment. Therefore, the cost should be minimal.

SUBJECT MATTER: SB 2558, as amended by Senate Amendment #001, amends the State Employee Article of the Illinois Pension Code to allow the purchase of service credit by any employee who rendered full-time contractual services for an Illinois Veterans' Home operated by the Department of Veterans' Affairs.

COMMENTS: Currently, the Illinois Pension Code lists specific periods of service for which a member may purchase optional service credit. SB 2558, as amended by Senate Amendment #001, amends the State Employees Article of the Pension Code to add service as a contractor for an Illinois Veterans' Home to this approved list. Members are required to pay all contributions as of the date specified. In addition, SB 2558, as amended by Senate Amendment #001, states that allowing employees to establish service credit for this type of service constitutes a new benefit increase and this increase shall be funded by the additional employee and employer contributions.
