

DECISION ON PROPOSALS SUBMITTED FOR TOLLWAY STUDY

At the May 31, 2006 meeting of the Commission on Government Forecasting and Accountability, the Commission voted on the proposals submitted in response to the May 10, 2006 RFP for the valuation of the Illinois State Toll Highway Authority. The winning proposal was submitted by Credit Suisse who will evaluate and determine the potential monetary value of the Illinois Tollway for a price of \$30,000. It is anticipated that the report will be completed within six to eight weeks after a contract has been finalized, and will be posted on the Commission's website.
