Floor 3
Springfield, IL 62762

Dear Secretary Adams:

On February 15, 2006 the Commission on Government Forecasting and Accountability received a notice of transfer proposal for the Sexually Violent Persons Program currently administered at 401 Woodruff Road in Joliet, Illinois. According to the notice, it is the Department of Human Services intent to move the program to a new site provided by the Department of Corrections (DOC) in Rushville, Illinois.

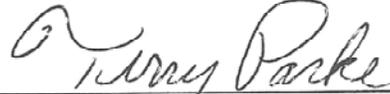

Pursuant to Public Act 93-0839 the Commission has carefully reviewed the information provided by the Department of Human Services and have spoken with Commission members and the elected representatives from areas affected by this proposed transfer.

Since there does not appear to be any opposition to this closure and transfer, the Commission does not intend to require DHS to file a recommendation for closure of the Joliet facility.

Sincerely,

Jeffrey M. Schoenberg
