Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF IY- MURPHYSBORO, A SECURE JUVENILE JUSTICE FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of IY-Murphysboro and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN WITH LOCAL 424 CHESTER MENTAL HEALTH EMPLOYEES IN SAVING JOBS IN OUR REGION.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN WITH LOCAL 424 CHESTER MENTAL HEALTH EMPLOYEES IN SAVING JOBS IN OUR REGION.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

JOIN WITH LOCAL 424 CHESTER MENTAL HEALTH EMPLOYEES IN SAVING JOBS IN OUR REGION.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION!

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

JOIN WITH LOCAL 424 CHESTER MENTAL HEALTH EMPLOYEES IN SAVING JOBS IN OUR REGION.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN STATE REP. JERRY COSTELLO IN HIS FIGHT TO KEEP HATE-FILLED PROTESTERS AWAY FROM THE FUNERALS OF FALLEN SOLDIERS

We, the undersigned, join State Rep. Jerry Costello in supporting the Let Them Rest in Peace Act. Across the country, hate groups have protested at the funerals of fallen soldiers, disrespecting the honor of our American heroes and their mourning loved ones. While freedom of speech and assembly are constitutional rights, the Let Them Rest in Peace Act allows these acts to be done in a more respectful manner. Current law provides a 200-foot barrier between protesters and a funeral and prohibits protests 30 minutes before and after the service. Costello's legislation strengthens the law by creating a 1,000-foot barrier and prohibiting protests an hour before and after services. Mourning families should be protected from disruptive and disrespectful hateful protesters.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

JOIN WITH LOCAL 424 CHESTER MENTAL HEALTH EMPLOYEES IN SAVING JOBS IN OUR REGION.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN WITH LOCAL 424 CHESTER MENTAL HEALTH EMPLOYEES IN SAVING JOBS IN OUR REGION.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN WITH LOCAL 424 CHESTER MENTAL HEALTH EMPLOYEES IN SAVING JOBS IN OUR REGION.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester-Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN STATE REP. JERRY COSTELLO IN HIS FIGHT TO KEEP HATE-FILLED PROTESTERS AWAY FROM THE FUNERALS OF FALLEN SOLDIERS

We, the undersigned, join State Rep. Jerry Costello in supporting the Let Them Rest in Peace Act. Across the country, hate groups have protested at the funerals of fallen soldiers, disrespecting the honor of our American heroes and their mourning loved ones. While freedom of speech and assembly are constitutional rights, the Let Them Rest in Peace Act allows these acts to be done in a more respectful manner. Current law provides a 200-foot barrier between protesters and a funeral and prohibits protests 30 minutes before and after the service. Costello's legislation strengthens the law by creating a 1,000-foot barrier and prohibiting protests an hour before and after services. Mourning families should be protected from disruptive and disrespectful hateful protesters.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN STATE REP. JERRY COSTELLO IN HIS FIGHT TO KEEP HATE-FILLED PROTESTERS AWAY FROM THE FUNERALS OF FALLEN SOLDIERS

We, the undersigned, join State Rep. Jerry Costello in supporting the Let Them Rest in Peace Act. Across the country, hate groups have protested at the funerals of fallen soldiers, disrespecting the honor of our American heroes and their mourning loved ones. While freedom of speech and assembly are constitutional rights, the Let Them Rest in Peace Act allows these acts to be done in a more respectful manner. Current law provides a 200-foot barrier between protesters and a funeral and prohibits protests 30 minutes before and after the service. Costello's legislation strengthens the law by creating a 1,000-foot barrier and prohibiting protests an hour before and after services. Mourning families should be protected from disruptive and disrespectful hateful protesters.

JOIN WITH LOCAL 424 CHESTER MENTAL HEALTH EMPLOYEES IN SAVING JOBS IN OUR REGION.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

JOIN WITH LOCAL 424 CHESTER MENTAL HEALTH EMPLOYEES IN SAVING JOBS IN OUR REGION.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN STATE REP. JERRY COSTELLO II IN DEMANDING GOVERNOR QUINN TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.

JOIN WITH LOCAL 424 CHESTER MENTAL HEALTH EMPLOYEES IN SAVING JOBS IN OUR REGION.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

JOIN WITH LOCAL 424 CHESTER MENTAL HEALTH EMPLOYEES IN SAVING JOBS IN OUR REGION.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

JOIN WITH LOCAL 424 CHESTER MENTAL HEALTH EMPLOYEES IN SAVING JOBS IN OUR REGION.

Currently Governor Quinn has announced that he intends on closing Chester Mental Health Center, which will affect many of our friends and family. This facility currently has approx. 500 employees, which if closed, would cause the unemployment number grow higher, not to mention devastate the local economy. Governor Quinn needs to focus on trimming the budget in other ways, and not take away the jobs which will devastate our region.

JOIN STATE REP. JERRY COSTELLO DEMANDING GOVERNOR QUINN
 TO CUT WASTE IN SPRINGFIELD AND CHICAGO, NOT JOBS IN OUR REGION

We, the undersigned, join State Representative Jerry Costello II in opposing Governor Pat Quinn's plan to shut down the Chester Mental Health Center, which will put many of our friends and family in the unemployment line. This facility is essential to our community and Governor Quinn should focus on trimming bloated state government in Springfield and Chicago, rather than cutting important jobs here at home.
