Jay Rowell, Director
IL Department of Employment Security
33 South State Street
Chicago, IL 60603-2802

Dear Director Rowell:

On behalf of the Commission Co-Chairs, due to the Grayslake facility not being a prison, a mental health facility, or a veteran's home, under the State Facilities Closure Act (30 ILCS 608), it is at the discretion of the Commission to require the Illinois Department of Employment Security to file a recommendation for closure. Due to the limited number of employees being affected (36) and the fact that these are transfers instead of layoffs, the Commission will **not** require the department to file a recommendation for closure for the Grayslake facility. With this letter, the Commission considers this matter resolved.

Please contact me at (217) 782-5322 with any questions.

Sincerely,

Dan R. Long
Executive Director
