JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN REP. BRANDON PHELPS' FIGHT TO STOP THE CLOSURE OF TAMMS CORRECTIONAL FACILITY

We, the undersigned, believe that when so many families in Southern Illinois are struggling during these difficult economic times, closing the Tamms Correctional Facility is wrong. We encourage the governor to focus on the waste and mismanagement that occurs in Springfield and Chicago before laying off Southern Illinoisans; therefore, we join State Rep. Brandon Phelps in his fight to keep Tamms Correctional Facility open.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN REP. BRANDON PHELPS' FIGHT TO STOP THE CLOSURE OF TAMMS CORRECTIONAL FACILITY

We, the undersigned, believe that when so many families in Southern Illinois are struggling during these difficult economic times, closing the Tamms Correctional Facility is wrong. We encourage the governor to focus on the waste and mismanagement that occurs in Springfield and Chicago before laying off Southern Illinoisans; therefore, we join State Rep. Brandon Phelps in his fight to keep Tamms Correctional Facility open.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN REP. BRANDON PHELPS' FIGHT TO STOP THE CLOSURE OF TAMMS CORRECTIONAL FACILITY

We, the undersigned, believe that when so many families in Southern Illinois are struggling during these difficult economic times, closing the Tamms Correctional Facility is wrong. We encourage the governor to focus on the waste and mismanagement that occurs in Springfield and Chicago before laying off Southern Illinoisans; therefore, we join State Rep. Brandon Phelps in his fight to keep Tamms Correctional Facility open.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN REP. BRANDON PHELPS' FIGHT TO STOP THE CLOSURE OF TAMMS CORRECTIONAL FACILITY

We, the undersigned, believe that when so many families in Southern Illinois are struggling during these difficult economic times, closing the amms Correctional Facility is wrong. We encourage the governor to focus on the waste and mismanagement that occurs in Springfield and Chicago before laying off Southern Illinoisans; therefore, we join State Rep. Brandon Phelps in his fight to keep Tamms Correctional Facility open.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN REP. BRANDON PHELPS' FIGHT TO STOP THE CLOSURE OF TAMMS CORRECTIONAL FACILITY

We, the undersigned, believe that when so many families in Southern Illinois are struggling during these difficult economic times, closing the amms Correctional Facility is wrong. We encourage the governor to focus on the waste and mismanagement that occurs in Springfield and Chicago before laying off Southern Illinoisans; therefore, we join State Rep. Brandon Phelps in his fight to keep Tamms Correctional Facility open.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN REP. BRANDON PHELPS' FIGHT TO STOP THE CLOSURE OF TAMMS CORRECTIONAL FACILITY

We, the undersigned, believe that when so many families in Southern Illinois are struggling during these difficult economic times, closing the Tamms Correctional Facility is wrong. We encourage the governor to focus on the waste and mismanagement that occurs in Springfield and Chicago before laying off Southern Illinoisans; therefore, we join State Rep. Brandon Phelps in his fight to keep Tamms Correctional Facility open.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE ANNOUNCED CLOSURE OF TAMMS CORRECTIONAL CENTER, A SECURE ADULT SUPER MAXIMUM SECURITY FACILITY AND A PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the announced closure of Tamms Correctional Center and the related cutbacks in vital programs of state government which ensure safe and secure prisons, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and make our community less safe. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.
