

The Commission on Government Forecasting and Accountability received petitions containing over 5,800 signatures. A sample of these petitions follows on the next few pages. Actual petitions are part of the public record and will be held on file at the Commission's office.

WE, THE UNDERSIGNED, oppose the closure of the **Howe Developmental Center and the Tinley Park Mental Health Center**. The loss of these two centers will mean a drastic reduction in services for those with severe developmental disabilities and mental illness—and the permanent loss of some 800 jobs—in the south suburban area.
