Under the **State University Certificates of Participation Act [110 ILCS 73]**, any State university planning to issue Certificates of Participation (COPs) must appear before the Commission at a public hearing to present the details of the proposal. Upon adoption by a vote of the majority of appointed members, the Commission shall issue a record of findings within 60 days after the request by the university. As part of the Commission's consideration and findings the Commission shall consider the effect the issuance of a certificate of participation shall have on the State University's annual debt service and overall fiscal condition. Within the findings shall be a statement in which the Commission makes a recommendation of either (i) "favorably recommended", (ii) "recommended with concerns", or (iii) "non-support of issuance". Findings shall be reported by the Commission within 15 days after the hearing.
